Dear Members of the Cultural Heritage Commission,

The residents of the Ramona Avenue Historic District would like to express our unanimous support of the Mills Act application submitted by the Heyler family for 1545 Ramona Avenue, listed in the historic record as Sherer House.

Given its grand construction and its location at the corner of Ramona and Oak, Sherer House is one of the most prominent homes in our neighborhood. We feel that formally recognizing the significance of Sherer House by granting this Mills Act application is an important step in the preservation of the Ramona Avenue Historic District.

Sincerely,

Betsy and Caleb Smith
