NOTICE IS HEREBY GIVEN that the City of South Pasadena Design Review Board will hold a Public Hearing on **Thursday, May 5, 2022 at 6:30 p.m. through an in-person/virtual hybrid meeting** to consider a Design Review Permit (Project No. 2421-DRX) for 5002 Collis Avenue, Assessor's Parcel Number 5312-017-022. The project consists of the following:

Design Review Permit for a 105-square-foot addition to the side of an existing single-family dwelling to expand the existing laundry room and bedroom. In accordance with the California Environmental Quality Act (CEQA), the project qualifies for a Categorical Exemption under Section 15301, Class 1 Existing Facilities. Class 1 exemption includes additions to existing structures provided that the addition will not result in an increase of more than 10,000 square feet, in which the project site is in an area where all public facilities are available and is not located in an environmentally sensitive area.

The meeting will be located at the Amedee O. "Dick" Richards, Jr., Council Chambers located at 1424 Mission Street, South Pasadena, CA 91030. Members of the public also have the option to participate via Zoom using the following link:
