FY 2021/22 Financial Policies

PURPOSE STATEMENT

To enhance fiscal transparency and maintain and improve fiscal sustainability, the City of South Pasadena annually adopts fiscal policies to establish a framework to ensure a balance budget, maintain healthy reserves, appropriately fund the City's infrastructure needs, establish fees and charges, and ensure compliance with City Council directives. This policy is adopted annually as part of the Budget adoption process and may be revised by City Council action.

1. ANNUAL BUDGET

The City adopts an annual budget. The City's fiscal year starts on July 1st and concludes on June 30th. The annual budget for the new fiscal year, will be adopted before June 30th.

The following are key elements of the City's budget and budget process:

- Budgetary appropriations are made by the City Council, through formal budget adoption.
- The City Manager submits the Proposed Budget to the City Council no later than the final City Council meeting in May.
- The budget is adopted by the City Council before June 30th, following a public meeting where constituents are given an opportunity to comment on the Proposed Budget.
- Prior to consideration by the City Council, the Proposed Budget will be reviewed by the Finance Commission.

The policy not achieved for Fiscal Year 2021/2022, with the Proposed Budget presented to the City Council at the June 16, 2021 meeting. The budget was formally approved on (Insert date).

2. BALANCED BUDGET

The City strives to maintain a balanced operating budget for all governmental funds (all funds except the enterprise funds), with total on-going revenues equal to or greater than total on-going expenditure, so that at year end all these funds have a positive fund balance and the General Fund balance is maintained.

- The budget is balanced at the individual fund level. The estimated revenue sources must be sufficient to cover proposed uses.
- Ongoing operations are funded by recurring revenues.
- City policies on reserve requirements for specific funds are adhered to in the budget.
- If shortfalls are projected after the budget adoption, during quarterly financial reviews, the City Manager will present a plan to address such shortfalls with sustainable measures in order to achieve a balanced budget by fiscal year-end.
- Non-recurring revenues or one-time funding may be used to balance the budget during economic downturns, or as a result of unforeseen events.

The Adopted FY 2021/2022 Budget includes a balanced operating budget for the following funds:

- The City's General Fund is balanced.

Exceptions to this policy include:

- Fund 103 – Insurance Fund
- Fund 201 – MTA Pedestrian Improvement Fund
- Fund 215 – Street Light & Landscape Fund
- Fund 220 – Business Improvement Fund
- Fund 226 – Mission Meridian Public Garage Fund
- Fund 238- MSRC Grant
- Fund 239 – Measure W
- Fund 241 – Measure H
- Fund 242 - Prop C Exchange
- Fund 245 – Bike & Pedestrian Paths
- Fund 248 – BTA Grant
- Fund 249 – Open Streets Grant
- Fund 274 – Homeland Security Grant
- Fund 277 - HSIP Grant
- Fund 278 – Housing Element Grant

3. APPROPRIATIONS AND BUDGETARY CONTROL

The City Council holds public hearings and adopts the City’s annual budget and may modify appropriations with majority approval. During the fiscal year, any budget adjustments (increases in appropriations at the fund level) that cannot wait for the Mid-Year review or that exceed the City Manager’s budget authority described below, must be submitted by the City’s departments for City Council review and approval. The review and approval may occur at any City Council meeting, at the request of staff or the City Council. The City Council approves any revisions that increase the total budgeted expenditures or revenues at the fund level, and any changes to permanent and full-time positions.

The legal level of expenditures is controlled at the fund level, and appropriations lapse at the end of each fiscal year unless encumbered for re-appropriation by the City Council in the following fiscal year. Department Heads may, without Council approval, amend individual line items within any fund in the maintenance and operations portions of the budget without increasing total appropriations for that division. The City Manager may, without Council approval, amend individual line items within any fund, and between divisions and programs, in the personnel costs, maintenance and operations, capital outlay and capital projects portions of the budget without increasing total appropriations for that fund.

4. ENTERPRISE FUND

The City requires the water, sewer, and golf course enterprise funds be self-supporting. The City recognizes that enterprise funds function with accounting practices that are different from those used by governmental funds. Therefore, for enterprise funds, the City will strive to maintain operating budgets that produce annual net revenues that meet or exceed the compliance requirements of debt coverage rations generally.

The sewer fund was recognized as an enterprise fund starting in FY 2009/10, with the requirement of self-supporting funding. Water and sewer rate increases will assure that revenues exceed operating expenditures, including debt service. Budgeted water capital projects will be paid from a \$37.8 million 2016 Water Bond issuance. Bond debt service will be paid out of water revenues. Sewer revenues along with a revolving loan from the State will pay for sewer capital improvements.

The Water Fund will maintain a reserve equal to 30% of revenues. This policy has been met or exceeded.

The Sewer fund will maintain a reserve equal to 30% of revenues. This policy has been met or exceeded.

5. GENERAL FUND RESERVES

General Fund Reserves are described as:

- Unassigned Fund Balance - These reserves are in spendable form and are either restricted, committed, or assigned. The City strives to attain a General Fund undesignated fund balance equal to a minimum 30% of General Fund revenues at year end.
- Assigned Fund Balance – These reserves are set aside or earmarked for particular purposes, and the authority to designate these reserves can be delegated, and may take less formal action to limit how the reserves are used.
- Restricted Fund Balance – These reserves are subject to restrictions that are legally enforceable by outside parties, such as bondholders.
- Committed Fund Balance – These reserves are designated by the City Council, and are designated for specific purposes, through formal action. Committed balances can be modified by the City Council taking formal action.

The current Committed (Designated) Fund Balances, or designated reserves have been established for FY 2021/2022 is as follows: (TO BE REVISED/UPDATED AFTER COUNCIL REVIEW)

Arroyo Golf Course; \$600,000

CalTrans Vacant Lot Purchases; \$392,000

Legal Reserve; \$500,000

Maint. Yard/ Community Center; \$267,067

Library Expansion; \$200,000

Renewable Energy Source Reserve; \$700,000

Retiree Pension Reserve; \$500,000

Retiree Medical Reserve; \$500,000

Tree Replacement; \$50,000

Community Garden/ Open Space Purchases; \$392,000

Stormwater; \$600,000 (Consider reallocating)

Library Park Drainage Reserve; \$147,000 (Consider reallocating, project complete.)

Financial Sustainability Reserve; \$900,000

Slater Reimbursement Reserve; \$345,876

SR-110 Interchange Project; \$1,410,000

Committed (Designated) Reserves shall be reviewed and designated annually by the City Council prior to Budget adoption. Upon designation of a reserve for a specific purpose, the Council will ensure the following:

- The purpose of the reserve will be specified at the time of designation.
- The City Council will also identify whether the designation is a one-time designation or whether an amount specified by the City Council will be added to the designated reserve on an annual basis.
- Nothing limits the City Council's authority to un-designate, or re-designate any General Fund Designated Reserve for another governmental purpose, pursuant to formal City Council action.

6. INFRASTRUCTURE

The City maintains a long-range fiscal perspective through the use of a Capital Improvement Program to maintain the quality of City infrastructure, including streets, sidewalks, sewers, drains, lighting, buildings, parks, and trees. The City Council adopts capital projects budgets and may modify appropriations with majority approval. All changes in appropriations at the fund level during the year must be submitted to the City Council for approval.

Beginning in FY 2013/14, the City's goal has been to commit a minimum of \$2,000,000 per year towards street improvements. This amount has fluctuated based upon available resources. In Fiscal. For Fiscal Year 2022, a total of \$2,000,000 has been budgeted from Fund 104, Street Improvement reserves, and additional funding for street improvements have been budgeted using Prop C funds.

7. ACCOUNTING AND REPORTING STANDARDS

The City will comply with all requirements of generally accepted accounting principles, and will publish a Comprehensive Annual Financial Report (CAFR) in compliance with generally accepted accounting principles, prepared in coordination with our independent auditors, no later than the first quarter of each calendar year. The CAFR, along with the Auditor's report on internal controls and compliance, will be presented to the City Council at a public meeting, after first being presented to the Finance Commission. The City shall endeavor to achieve audits with minimal auditor findings in the form of significant deficiencies. The City shall swiftly and thoroughly respond, to auditor findings of material weakness.

The City is not currently in compliance with this policy. The City is preparing the FY 2019/2020 CAFR and anticipates presenting it at a July 2021 City Council meeting.

8. MIDYEAR AND INTERIM FINANCIAL REPORTING

The City will publish a midyear budget update in February of each year. The midyear budget update shall present estimated outcomes and the implications for the budget year. The report shall give attention to the financial issues and policy matters anticipated to have the most significant short and long-term financial planning importance to the City Council. Pursuant to the content of the midyear report, the City Council shall provide specific and general direction to staff for short and long term budgetary planning.

To comply with the policy, the City Manager will ensure the following:

- The midyear budget update will be presented to the City Council in February of each year.
- At the midyear budget update, staff will present to the City Council any necessary adjustments to the budget. The adjustments are based on additional funding, or major changes in revenues or expenditures, or previously approved budget adjustments.
- Quarterly budget updates will be provided to the City Council in October (covering July to September activity), February (covering July to December activity), May (covering July to March activity), with the final update provided in the subsequent year's proposed budget.

9. RISK MANAGEMENT

The City will identify and quantify all areas of financial and operating risk, and prepare contingencies for those risks, including legal liabilities, infrastructure maintenance, emergency response, and contract and employee obligations. The City will work with the City's insurance providers to seek full coverage of actuarially projected needs.

Liability and Workers Compensation liability is reported in accordance with GASB 10, and further explained below.

- The City manages risk through a combination of purchased insurance and self-insurance.
- The City self-insures workers' compensation claims with a self-insured retention of \$125,000 and general/auto liability claims, with a self-insured retention of \$100,000 per covered claim. Excess workers' compensation and general/auto liability insurance coverage shall be purchased.
- An annual actuarial study shall be conducted to provide an estimate of the self-insured liability to be recorded by the City in accordance with Governmental Accounting Standards Board Statement No. 10. This statement requires the City to accrue a liability on its financial statements for a reasonable estimate of the cost of claims and expenses associated with all reported and unreported claims.
- The City's goal is to maintain reserves to fund its outstanding self-insured liabilities at the minimum level of 70 percent. It is anticipated that this goal will be achieved incrementally, and fully achieved by Fiscal Year 2023-2024.
- The City shall maintain a Self-Insurance Fund to both fund the liability reserve and workers compensation, and recover all associated risk management costs, including claim payments, insurance premiums and any deductibles, and claim administration (internal and external). The fund's revenues shall be generated through assessments to City funds based on their claim experience and outstanding liabilities. These departmental assessments shall be evaluated annually and adjusted as needed.
- Staff shall report to the Finance Commission and City Council at least annually on the claims processed, amounts paid, and steps taken to manage and reduce the City's risk and liability.

10. DEBT AND INVESTMENTS

The City will consider the use of debt when the cost of debt is lower than the City's investment return, and when operating revenues are available to pay the debt. We will maximize the investment return on City Cash balances within the higher concerns of safety

and liquidity. An investment policy will be submitted annually to the City Council for review and adoption in September or October of each year. The City shall at all times maintain compliance with the California Government Code with respect to the content and function of its Investment Policy.

Annually, the Investment Policy is reviewed by the City's Finance Commission, prior to being approved by the City Council. Additionally, the City Treasurer shall provide monthly reports to the City Council which shall include all reportable elements specified in the City's Investment Policy.

Staff will continue to contract with financial advisory services to evaluate various options to leverage existing revenue streams.

11. CONTROL OF FINANCIAL ASSETS

All financial assets will be under the direct authority of the City Treasurer and Finance Director. Regarding Capital Assets, the City will capitalize assets and equipment with individual minimum value of \$10,000 or greater.

12. SCHEDULE OF FEES FOR SERVICES

The City will publish, and the Finance Department will update, the schedule of fees for services as a component of the annual budget. The Fee Schedule will be reviewed by the Finance Commission prior to implementation each July 1st.

The Fee Schedule was reviewed by the Finance Commission at its May 20, 2021 meeting.

13. LONG-TERM LIABILITIES

The City shall evaluate long-term liabilities (debt borrowing, compensated absences, claims and judgements, pensions, post-employment benefits (OPEB), on a case by case basis. The City will work with the California Public Employee Retirement System and the City's insurance providers to seek full coverage of actuarially projected needs.

Funding is budgeted on a pay-as-you-go basis for leave liabilities, and retiree health insurance costs. In accordance with GASB 45, a third-party actuarial valuation of the City's liability for annual retiree medical costs has been completed every two years since FY 2008/09.

The Finance Commission's work plan includes evaluating the refinancing of the City's water bonds, and evaluating alternatives to plan for the OPEB and pension liabilities. Additionally, for FY 2019/2020, the City has established an Internal Service Fund for Insurance liabilities.

14. GANN APPROPRIATIONS LIMIT

The City will annually adopt a Resolution establishing the City's appropriation limit (the Gann Limit) calculated in accordance with Article x111-B of the constitution of the State of California Government code and any other voter approved amendments or state legislation that affects the City's appropriations limit. The Gann Limit will be adopted by Resolution.

The City is restricted to an amount of annual appropriations from proceeds of taxes, and if proceeds of taxes exceed allowed appropriations, the excess must either be refunded to the State Controller or returned to the taxpayers through revised tax rates or revised fee schedules. Alternatively, an excess of one year, may be offset against a deficit in the following year.

FINANCE DEPARTMENT FISCAL YEAR 2021-22 BUDGET SNAPSHOT

OVERVIEW

The Finance Department accounts for all City and Successor Agency expenditures, administers business licensing and water billing through third-party vendors, accounts for revenue collection, performs city wide accounting functions, including grant accounting, processes the biweekly payroll through a third-party vendor, prepares payment of all obligations for review and approval by the City Council, and sends out approved check warrants. In conjunction with, and subject to the independent certification of the City/Agency independent audit firm, the Department prepares the City's Comprehensive Annual Financial Report (CAFR). The Department also prepares annual reports for the State Controller and other State and Federal agencies. Under the direction of the City Manager, the Department prepares the City's annual budget.

The Finance Department oversees the utility billing function by utilizing a third-party vendor for the City's approximately 7,000 accounts for all water, refuse and sewer fees. The Department works with the City Treasurer, Finance Commission, and committees with respect to the various financial issues. As required by the Government Code, monthly investment reports are provided to the City Council summarizing investment holdings and rates of return on investments.

Notable Changes- Wages and Benefits

Overall, the full-time permanent salaries show an increase as the budget includes funds for a permanent full time Finance Director as well as a full year's cost of a full time Accountant position authorized by the City Council in FY 2020-21. Compared with FY 2020-21, part-time, temporary staff salaries show a decrease, due to the hiring of a full-time Finance Director, versus the previous use of part-time interim staff.

Notable Changes- Operations and Maintenance

The only notable increase is the Liability and Surety Bonds line item. The City has established an Internal Service Fund for Insurance, for the purpose of managing the City's self-insured general liability and worker's compensation policy. The Liability and Surety Bonds line item funds the Insurance Fund.

POLICE DEPARTMENT FISCAL YEAR 2021-22 BUDGET SNAPSHOT

OVERVIEW

The Police Department provides a full range of law enforcement and crime deterrence services. Services include street patrol, traffic patrol, crime investigation and analysis, parking enforcement, and a community crime prevention program. Support services for sworn officers include training, records, property evidence, dispatch center, and administrative support.

In Fiscal Year 2020-21 the Police Department had an increase in overtime due to unfilled vacancies, community events and COVID-19 related absences. These costs are estimated to be slightly less in FY 2021-22.

Notable Changes- Wages and Benefits

The cost-of-living increases are off set by a the the unfunded Deputy Chief position. One of two previously unfunded Police Officer positions has been funded. A slight decrease in overtime is due to anticipated full staffing and the additional officer.

Notable Changes- Operations and Maintenance

Implementation of Video Remote Interpreting (VRI) providing an on on-demand service supporting over 300 languages, utilizing live interpreters to communicate between non-English speakers and first responders. Funds are allocated for a new police vehicle lease program. Continued utilization of the “Project Life Saver” program providing officers the ability to locate individuals wearing a bracelet containing a homing device suffering from cognitive disorders or are prone to life-threatening behaviors. Also, the use of the “Safe Deal Zone” program allowing residents to conduct on-line purchases face-to-face transactions in the police station lobby.

Capital Outlay

COPS Grant is funding the previously approved Computer Aided Dispatch and Records Management System.

PERSONNEL SERVICES

- 7000 Salaries – Regular Employees
Provides salaries for all full-time, permanent sworn, and civilian employees.
- 7010 Salaries – Temporary/Seasonal/Part-Time
Provides compensation for seasonal, temporary, and other non-salaried part-time employees. Part-time employees include Police Cadets
- 7020 Overtime
Covers the cost of overtime for non-management personnel. Overtime is used for duties that cause an employee to work beyond their scheduled end-of-shift, court appearances and court on-call status during off-duty hours, and overtime required to fill minimal staffing requirements. Overtime has increased due to COVID-19 related absences as well as staffing requirements for First Amendment assemblies. Efforts will be made through negotiated agreements with the police officers' association to reduce nonessential overtime costs, however, overtime due to burglary suppression efforts will continue. The use of reserve officers whenever possible has kept these costs down. **(\$592,000).**
- 7040 Holiday
Covers overtime compensation for employees required to work on Holidays.
- 7045 Overtime – Special Detail
Covers the cost of overtime for providing security at filming locations. The City is reimbursed fully by the film companies for this overtime.
- 7050 Overtime – DUI Checkpoint
Covers overtime compensation for providing staffing for DUI checkpoints. (\$20,000)
- 7060 IOD – Safety
Injury on Duty Overtime. (\$10,000)
- 7070 Leave Buyback
Provides funds to employees who opt to sell back hours of their leave balances. (\$36,935)

- Water Infrastructure Maintenance; consisting of eight water storage tanks, six pump stations, and 130 miles of pipelines.
- Water Resources Planning and Coordination; for short and long-term reliable water supplies.
- Water Conservation; educate, promote, and implement water-saving programs through rebates and workshops
- Sustainability; protect the environment and natural resources through sustainable initiatives, promote and implement the City's Green Action Plan (GAP) and Climate Action Plan (CAP).

Notable Changes- Wages and Benefits

Increases in Wages and Benefits due to cost-of-living increases and increases in retirement and health insurance.
Two new positions were added: Senior Civil Engineer and an additional Public Works Inspector.

Notable Changes- Operations and Maintenance

- Increase in Contract Services due to annual increases and minimum wage increase, including landscape maintenance, HVAC, graffiti removal, and tree maintenance contracts.
- Decrease in janitorial services contract after issuing a competitive Request for Proposal (RFP).
- Decrease in Water Division budget for returning to use of well water and reducing the purchase of MWD water.
- Increase in electric utility costs to account for 100% green energy through the Clean Power Alliance.
- Water Efficiency Projects and Rebates moved under Public Works Department budget from Utility Billing.

PLANNING AND COMMUNITY DEVELOPMENT DEPARTMENT FISCAL YEAR 2021-22 BUDGET SNAPSHOT

OVERVIEW

The Planning & Community Development Department provides staff services to the Planning, Cultural Heritage Commissions, Design Review Board and Public Art Commission. The planning staff administers the City's zoning code including land use and development regulations, processes land use permits, and undertakes long range land use planning and economic development. In addition, the Department is responsible for the planning and development review of the built environment in South Pasadena. The building staff enforces construction standards to safeguard life, health, and property by issuing permits, reviewing building plans for code compliance, and performing construction inspections. The code enforcement staff works with property owners to develop and secure compliance with the municipal code regarding property maintenance and operations. The long range planning and economic development division administers the public art program and film permits, updates local ordinances in compliance with State law, and focuses on developing policies and implementing strategies to improve the economic vitality of the City.

Notable Changes- Wages and Benefits

There is an increase in overall wages and benefits to account for additional staffing needed to immediately address land use and development applications, which are required to be processed within State mandated timelines and are anticipated to continue to increase with recent and anticipated State housing legislation and local pro-housing initiatives. Compared to the Fiscal Year 2021, the Fiscal Year 2022 Budget includes 2 new positions (Associate Planners), and a full year's funding for an Assistant Planner approved at the end of FY 2021. The budget also includes additional Part-Time Salaries for short-term expertise needed to complete the 2021-2029 Housing Element and General Plan and Downtown Specific Plan Updates all within the fiscal year.

Notable Changes- Operations and Maintenance

In addition to ongoing efforts to complete the General Plan Update, Downtown Specific Plan and 2021-2029 Housing Element, the budget for **Professional Services** will include an extensive work plan including:

- Additional outreach regarding strategies to comply with the RHNA allocation to complete the Housing Element. And to support the GP/DTSP
- Retail market and hospitality studies, to support the GP/DTSP
- Parking inventory and parking policy development, to support the GP/DTSP
- Zoning code amendments (Year 1 of anticipated 2-year ZCA program) to implement the Climate Action Plan and updates to the General Plan, Downtown Specific Plan and Housing Element, update the design review process and sign program, and to resolve several internal conflicts within the Code.
- Update the historic property inventory and creation of a Conservation Overlay
- Update to the Historic Preservation Ordinance
- Implement the Inclusionary Housing Ordinance and In-lieu fee alternative, including the development of an Affordable Housing Program
- Acquisition and implementation of a permit tracking system that provides additional transparency and access to public documents

- Continuation of the Al Fresco Dining and Retail Program into a permanent parklet program consistent with the Downtown Specific Plan and inclusive of lessons learned from the COVID-19 local emergency

There is an increase in [Contract Services](#) to properly account for all deposit based fees, and the implementation of increased deposit based contract planning services, previously approved by the City Council. These costs are recovered by plan check, building permit, and Major Project Review fees.

There is also an increase to [Advertising](#) to account for the increase in public notices and the costs of the notices.

There is an increase to [Dues & Memberships](#) to accommodate industry standard bid management (Planetbids) to increase competitive bids for services, GIS support services to support SCAG's free GIS services (ARCGis, Nearmap, GovClarity or similar) to provide access to current and accurate information at the property, local, and regional levels, required CALBO and ICC Building memberships and materials, and basic planning and film industry memberships;

LIBRARY DEPARTMENT FISCAL YEAR 2020-21 BUDGET SNAPSHOT

OVERVIEW

The Library Department serves people from all walks of life and socio-economic backgrounds and is a community resource for literacy, lifelong learning, recreation, and professional development. In a typical year, more than 20,000 customers visit each month, and 27,000 items for reading, viewing and listening are checked-out. Reference librarians connect people to information and plan engaging cultural and literary events. The Local History Collection preserves our community memory for the benefit of current and future generations. The Children's Room supports literacy and promotes a love of reading with regular storytimes and a robust Summer Reading Program. The Library also provides free high-speed Wi-Fi and an array of digital resources that are available to the public 24/7.

During the previous Fiscal Year, the Library met the challenges presented by the pandemic by rapidly adapting its service model and pivoting to virtual programs for adults and kids, and Library Takeout, a no-contact borrowing service. The Library has rigorously followed public health directives to maintain a safe environment for both staff and customers. Many goals were met in Fiscal Year 2020-2021, including supporting equal access by eliminating overdue fees, the launch of the Library's mobile app, implementation of email overdue and hold notices, and the installation of Tim Carey's fused glass public art work in the Ray Bradbury Conference Room.

The Library's goals for Fiscal Year 2021-2022 include the safe reintroduction of in-person library services, undertaking a strategic planning process that will shape library programs and services for the next five years, engaging in staff development around equity, inclusion and diversity, and continuing to provide the highest quality of service to all library customers.

Notable Changes- Wages and Benefits

In Fiscal Year 2021, the Library's Assistant Director position was eliminated, reducing the Library's full-time staff from 10 to 9. A full time position upgrade has been budgeted, upgrading a Library Clerk to a Library Associate. Part-time expenses continue to rise, due to salary scale adjustments adopted in 2019 to meet the requirements of the State of California Minimum Wage Order.

Notable Changes- Operations and Maintenance

M&O accounts reflect continued reductions in response to the COVID-19 related budget shortfalls, but are still adequate to provide digital and physical resources for the public. An increase in the professional services line item designates funds for a strategic planning consultant and a new special parcel tax administrator.

Capital Outlay

Funds have been designated to replace the security alarm system panel and for security upgrades to the library building's staff entrance.

COMMUNITY SERVICES FISCAL YEAR 2021-22 BUDGET SNAPSHOT

OVERVIEW

The Community Services Department is pleased to submit the Fiscal Year 2021-22 budget proposal. The Community Services Department provides services within four divisions: Senior Division, Recreation Youth Division, Community Transit and Community Services Division.

The Fiscal Year 2021-2022 will begin the reopening of the Community Services Department. The Department reduced and or eliminated non-essential services and staff last fiscal year and is starting to return staff to work and hire vacant positions in all of its divisions. The following is a synopsis of the fiscal year for the Community Services Department.

The Senior Citizens Center, a multi-purpose facility, provides older adults educational, social, physical, nutritional and emotional services and city special events such as the Memorial Day Celebration. As the State of California and the County of Los Angeles lift the COVID-19 health orders, the division will slowly reopen its doors for onsite lunch services, classes and activities for seniors. Home delivered meals will continue to seniors residing within city limits. Additionally, a new senior center supervisor will be hired after the retirement of a long standing employee. This will be a transition for the seniors along with programming and events.

The Recreation and Youth Division operates out of the Orange Grove Recreation Center and coordinates recreational classes for children and adults, after-school and summer child care, building and park reservation, and city events such as Concerts in the Park and Eggstravaganza. City events will be limit attendance due to the current health order but will offer a brief list of summer events. Summer Camp Med will resume but under much lower participation numbers due to lack of space and guidelines. Park reservations have resumed but only one reservation per gazebo instead of two to assist with social distancing. Building reservations remain on hold until new guidelines become available. Virtual and in-person outdoor classes will resume with minimal indoor in-person classes throughout the summer.

The Community Transit operates the Dial a Ride Program, which offers essential services for seniors, including rides to medical appointments, grocery stores, financial institutes, and social gathers provide by the city. Though during the pandemic the ridership was low, it is slowly increasing as seniors begin to feel comfortable as the restrictions have become less restrictive.

The Community Services Division provides general department oversight plus budget and grant administration, park improvements, community liaison activities, and contract management of the Arroyo Seco Golf Course, Arroyo Seco Racquet Club, San Pascual Stable, All-Star Batting Cages, Ironworks Museum, and Tower Venture Cellular. Many facilities were mandated to close but have all re-opened and are operating. Many upgrades have happened at the San Pascual Stables to create more corrals and a third arena. The Arroyo Seco Golf Course has had an exceptional FY 20-21 and looking for that to continue into the new year. Many agreements are expiring, on a month to month basis or coming to an end of a term within its agreement. An Ad Hoc Committee has been formed to assist in planning for the next steps for each one.

The staff supports the Parks and Recreation Commission, Youth Commission, Senior Commission, Festival of Balloons, and South Pasadena Tournament of Rose Committee.

The Community Services Department is currently undergoing transition, as several vital staffers separated from the city and Department history is non-existent. As such, the Department is seeking to fill three full-time positions to assist in running the department into the future.

Notable Changes- Wages and Benefits

Filling three full time staff positions to begin programming, activities and events. Budget also includes the upgrade of two full-time positions.

Notable Changes- Operations and Maintenance

Begin in-person events such as Concerts in the Park, Movies in the Park, Senior Holiday Lunches, Spooktacular and more, as well as in-person contract classes.

Glossary of Budget Terms

APPROPRIATION

An authorization by the City Council to make expenditures/expenses and to incur obligations for a specific purpose within a specific time frame.

ASSESSED VALUATION

A dollar value placed on real estate or other property by the County of Los Angeles as a basis for levying property taxes.

AUDIT

A view of the City's accounts by internal audit staff or an independent auditing firm to substantiate fiscal year-end funds, salaries, reserves, and cash on hand.

BEGINNING/ ENDING

(UNAPPROPRIATED) FUND BALANCE

Unencumbered resources available in a fund from the prior/current fiscal year after payment of the prior/current fiscal year's expenditures/expenses. This is not necessarily cash on hand.

BOND

Capital raised by a City by issuing a written promise to pay a specific sum of money (called the face value or principal amount) at a specific date or dates in the future, together with periodic interest at a special rate. The most common types of bonds are General Obligation, Revenue and Special Tax bonds.

BUDGET

A fiscal plan of financial operation listing an estimate of proposed applications or expenditures/expenses and the proposed means of financing them for a particular time period. The budget is "Proposed" until it has been approved by the City Council. South Pasadena's budget covers one fiscal year, from July 1 through June 30.

CAPITAL IMPROVEMENT

A permanent addition to the City's assets, including the design, construction or purchase of land, buildings or facilities, or major renovations.

CAPITAL IMPROVEMENT PROGRAM

A financial plan of proposed capital improvement projects with single- and multiple-year capital expenditures/expenses.

CAPITAL OUTLAY

A budget appropriation category which budgets all equipment having a unit cost of more than \$1,000 and which has an estimated useful life of over one year.

CAPITAL PROJECTS

Physical structural improvements with a cost of \$5,000 or more and which have an estimated useful life of one year or more. Examples include a new park, building modifications or water system construction and improvements.

CITY MANAGER'S BUDGET MESSAGE

A general discussion of the budget and related financial issues.

DEBT SERVICE

Payment of the principal and interest on an obligation resulting from the issuance of bonds and notes.

DEBT SERVICE REQUIREMENTS

The amount of money required for paying principal and interest on outstanding debt and required contributions to accumulate monies for future retirement of term bonds.

DEFICIT

An excess of expenditures or expenses over revenues (resources).

DEPARTMENT

An organizational unit comprised of divisions and programs. It is the basic unit of service responsibility that encompasses a broad mandate of related activities.

DIVISION

A sub-section within a department which furthers the objectives of the City Council by providing specific services or a product. Divisions are comprised of one or more programs.

Glossary of Budget Terms

ENCUMBRANCE

A legal obligation to pay funds, the expenditure/expense of which has not yet occurred. An encumbrance ceases when the obligation is paid or is otherwise terminated. Technically, encumbrances lapse at year's end and require Council action to re-appropriate funds to cover any remaining encumbrances.

ENTERPRISE FUND

A type of fund established for the total costs of those governmental facilities and services that are operated in a manner similar to private enterprises. Enterprise fund activities are entirely or predominately self-supporting. The City has three enterprise funds.

EXPENDITURE

The actual spending of governmental funds set aside by an appropriation.

EXPENSE

The actual spending of proprietary funds (Enterprise and Internal Service Fund types) set aside by an appropriation.

FISCAL YEAR

A twelve-month period of time to which a budget applies. South Pasadena's fiscal year is July 1 through June 30.

FUND

An independent fiscal and accounting entity used to record all financial transactions related to the specific purpose for which the Fund was created.

FUND BALANCE

The amount of financial resources available for use. Similar to retained earnings, this represents the excess of all prior year's operating surpluses and deficits. This includes cash on hand, and current assets less current liabilities.

GENERAL FUND

The primary fund of the City, it is used to account for all revenues and expenditures of the City not legally restricted as to use. The fund is used to account for the cost of the City's general operations. Examples of departments financed by the General Fund include the City Council, Police, Fire, and general government activities.

GOVERNMENTAL FUND

A type of fund that records revenues and expenditures of typical government activities. This fund type includes General, Special Revenue, Debt Service and Capital Project funds.

GRANT

Contributions, gifts of cash, or other assets from another governmental entity to be used or expended for a specific purpose, activity or facility. An example is the Community Development Block Grant (CDBG) provided by the Federal Government.

INTERFUND TRANSFERS

Monies transferred from one fund to another. Such money is transferred to finance the operations of another fund or to reimburse the fund for certain expenditures/expenses.

MATERIALS, SUPPLIES AND SERVICES

Expenditures/expenses for materials, supplies, and services which are ordinarily consumed within a fiscal year and which are not included in departmental inventories.

MUNICIPAL CODE

A book that contains the City Council approved ordinances currently in effect. The Code defines City policy with respect to areas such as planning, etc.

OBJECTIVES

The expected results or achievements of a budgeted activity.

Glossary of Budget Terms

OPERATING BUDGET

The annual appropriation of funds for on-going program costs, including salaries and benefits, services and supplies, debt service, capital outlay, and capital improvements.

ORDINANCE

A formal legislative enactment by the City Council that has the full force and effect of law within City boundaries unless preempted by a higher form of law. An ordinance has a higher legal standing than a resolution.

PROGRAM

A sub-section of a division which provides specific services or a product; a program is the smallest unit of service. There may be one or more programs within a division.

RESERVE

An account used to record a portion of the fund balance as legally segregated for a specific use.

RESOLUTION

A special order of the City Council. A resolution has a lower legal standing than an ordinance.

RETAINED EARNINGS

The amount of financial resources available for use in an Enterprise fund. Similar to "Fund Balance", it represents the excess of all prior years' surpluses and deficits.

REVENUES

An amount received by the City from taxes, fees, permits, licenses, interest, intergovernmental sources and other sources during the fiscal year.

SALARIES, WAGES and EMPLOYEE BENEFITS

Budgeted expenditure categories that generally account for full time and part time employees, overtime expenses, and all employee benefits, such as medical and dental insurance and retirement benefits.

SPECIAL REVENUE FUNDS

This fund type collects revenues that are restricted by the City, County, State or Federal Government as to how the City might spend them.

Description Of Funds

General Fund

101-General Fund – The General Fund is the primary operating fund of the City. The General Fund accounts for all financial resources except those required to be accounted for in another fund. That is, it is assumed that all of the City’s activities are reported in the General Fund unless there is a compelling reason to report an activity in some other fund type. Generally Accepted Accounting Principles (GAAP) prescribe that a government report only one general fund.

There are at least three compelling reasons to account for a particular activity in some type of fund other than the General Fund:

- **GAAP Requirements.** In certain instances, GAAP require the use of another fund type. Examples of such requirements are found in reporting for resources that are required to be held in trust for employee pension plans, other postemployment benefit plans, or other employee benefit plans. The City does not have such plans.
- **Legal Requirements.** There may be legal requirements that a certain fund type be used to account for a given activity. Most special revenue sources that are legally restricted to expenditure for specified purposes (Capital Growth Fund, grants, local return of Proposition A and C, CDBG, Gas Taxes, etc.) fall into this accounting category.
- **Financial Administration.** The demands of sound financial administration may require the use of a fund other than the General Fund. For example, the City has found it appropriate to account for the Parking and Business Improvement Tax, and Mission Meridian Public Garage in this manner.

Internal Service Funds

Internal service funds account for activities that provide goods or services to other funds, departments, or agencies of the primary government and its component units, or to other governments, on a cost-reimbursement basis. Funds included are:

103-Insurance Fund – To provide resources for general liability and workers’ compensation insurance claims.

Special Revenue Funds

Special revenue funds account for the proceeds of specific revenue sources that are legally restricted to expenditures for specified purposes. Funds included are:

201-MTA Pedestrian Improvement Fund – To account for MTA grants used for the Fair Oaks/Mission pedestrian improvement projects which include pedestrian accessibility, widened bikeways, landscaping, lighting modification and aesthetics.

205-Proposition “A” Local Return Fund – To account for all revenues and expenditures associated with the one-half cent sales tax approved by Proposition A in 1980. All revenues of this fund must be expended for transportation-related items as established by the Los Angeles County Transportation Commission.

Description of Funds

207-Proposition “C” Local Return Fund – To account for all revenues and expenditures associated with the one-half cent sales tax approved by Proposition C in 1990. All revenues of this fund must be expended for transportation-related items as established by the Los Angeles County Transportation Commission.

208-TEA/Metro Fund – To account for all revenues and expenditures associated with the TEA/Metro Fund. All revenues of this fund must be expended for transportation-related items.

211-CTC Traffic Improvement Grant Fund – To account for state and federal funding of street and intersection improvements relieving congestion at our busiest intersections.

215-Street Lighting and Landscaping Fund – To account for the costs associated with the City’s street lighting and median landscaping programs. These costs are deemed to benefit all property owners who are assessed their proportionate share of the costs. These assessments are placed on the property tax bill and collected and remitted to the City by the County of Los Angeles.

217-Public, Education, and Government Fund – To account for revenues and expenditures used for public education and government access charges that the City’s cable franchise collects. Monies in this fund must be used to purchase equipment related to the production of public education and government access television.

218-Clean Air Act Fund – To account for revenues and expenditures expended for air quality improvement projects as established by the South Coast Air Quality Management District.

220-Business Improvement Tax (BIT) Fund – To account for business improvement tax returns collected by the City for specified purposes within the Parking and Business Improvement Area: (1) decoration of any public place, (2) promotion of public events; (3) furnishing of music; (4) general promotion of retail trade activities.

223-Gold Line Mitigation Fund – To account for the MTA’s funding for the improvements to the Gold Line Mission Street Station.

226-Mission Meridian Public Garage Fund – To account for the revenues and expenditures of the Mission Meridian Public Garage.

228-Housing Authority Fund – To account for the revenues and expenditures for the City of South Pasadena Housing Authority.

230-State Gas Tax Fund – To account for all state gas tax related revenues and expenditures, including street repair, reconstruction and maintenance. State law requires these gasoline taxes to be used to maintain the City’s street and highway system.

232-County Park Bond – To account for the revenues and expenditures for the County Park Bond related improvements.

233-Measure R Fund – To account for all revenues and expenditures associated with the one-half cent sales tax approved by Measure R in 2009. All revenues of this fund must be expended for transportation-related items as established by the Los Angeles County Transportation Commission.

Description of Funds

236-Measure M Fund – To account for all revenues and expenditures associated with the one-half cent sales tax approved by Measure M in 2016. All revenues of this fund must be expended for transportation-related items as established by the Los Angeles County Transportation Commission.

238-MSRC Grant Fund – To account for the revenues and expenditures for the Mobile Source Air Pollution Reduction Review Committee projects.

245-Bike and Pedestrian Paths Fund – To account for the revenues and expenditures for bike and pedestrian facilities improvements funded by the State of California Transportation Development Act.

248-BTA Grant Fund – To account for the revenues and expenditures for the Bicycle Transportation Account (BTA) grant funded by the Los Angeles County Metropolitan Transportation Authority. This grant was awarded to fund two projects from the City’s Bicycle Master Plan: the Mission Street Green Sharrow Lane Project and the South Pasadena Bicycle Parking Project.

249-Open Streets Grant Fund – To account for the revenues and expenditures for the open streets grant funded by the Los Angeles County Metropolitan Transportation Authority. The goals of the Open Streets Grant Program is to provide opportunities for 1) riding transit, walking and riding a bike, possibly for the first time, 2) to encourage future mode shift to more sustainable transportation modes, and for 3) civic engagement to foster the development of multi-modal policies and infrastructure at the city/community level.

255-Capital Growth Requirement Fund – To account for fees paid to the City for building development to be applied towards the costs of public facilities improvements.

260-Community Development Block Grant (CDBG) Fund – To account for the revenues and expenditures for Community Development Block Grant projects.

270-Asset Forfeiture Fund – To account for proceeds received from forfeiture in narcotics investigations allocated for law enforcement activities.

272, 273 & 274-Federal and State Public Safety Grant Funds – To account for the operations of various federal and state grants, including COPS grants, and Homeland Security grants.

275- Park Impact Fees Fund – To account for the proceeds of a development fee used for the purpose of park facilities improvements and related expenditures.

277- Highway Safety Improvement Program Grant (HSIP) Fund – To account for revenues and expenditures related to street improvements funded by the grant.

Description of Funds

Enterprise Funds

An enterprise fund may be used to report any activity for which a fee is charged to external users for goods or services. GAAP also require the use of an enterprise fund for any activity whose principal external revenue sources are used as the sole leverage for issuance of debt; if the cost of providing services must legally be recovered through fees or charges; or if the government's policy is to establish activity fees or charges designed to recover the cost of providing service.

210 & 310-Sewer Fund – To account for the provision of sewer construction, maintenance and operation services to residents of the City.

295-Arroyo Seco Golf Course Fund – To account for revenues and expenses relating to the Golf Course.

500-Water Utility Enterprise Fund – To account for all the activities and operations of the Utility. The Utility has several functioning wells (in neighboring San Gabriel and San Marino), three functioning reservoirs, and maintains miles of water lines and transmission lines.

505-2016 Water Revenue Bonds Fund – To account for proceeds from the 2016 Water Bond issuance. Proceeds from the bonds are to be used solely for water capital projects, and funds will be transferred over to the Water Fund as project expenses are drawn down.

550-Public Financing Authority Fund – To account for debt service and related expenses of the 2013 Water Bond issuance.

Capital Projects Funds

Governments often find it useful to report major capital acquisition and construction separately from their ongoing activities. Separate reporting enhances an understanding of the government's capital activities, and it helps to avoid the distortions in financial resources trend information that can arise when capital and operating activities are mixed.

104-Street Improvements Program Fund – To account for capital expenditures related to street improvements projects.

105-Facilities and Equipment Replacement Fund - To account the replacement costs of City vehicles and equipment.

327-2000 Tax Allocation Bonds Fund – To account for capital expenditures for improvements funded by the bonds formerly held by the Successor Agency to the Community Redevelopment Agency.

Basis of Budget Accounting

The City of South Pasadena's accounting records are maintained in full accordance with Generally Accepted Accounting Principles (GAAP), as established by the Governmental Accounting Standards Board (GASB).

The budget basis refers to when revenues and expenditures are recognized in the City's accounts. Our annual budget is prepared on the same basis as the City's Comprehensive Annual Financial Report (CAFR).

The modified accrual basis is followed in all governmental funds (General, Special Revenue, Debt Service and Capital). Under the modified accrual basis of accounting – wherein the measurement focus is placed on current financial resources rather than a determination of net income – revenues are recognized when they become measurable and available. The reported fund balance provides an indication of available, spendable resources. Expenditures are recognized generally when the related liability is incurred.

Enterprise Funds are accounted for using the accrual basis of accounting. This is an economic resources measurement focus. Revenues are recognized when they are earned, and expenses are recognized when incurred. The accrual basis focuses on net income, and the operating statements provide an indication of the economic net worth of the fund. For budgetary purposes, however, the reported fund balance is a calculation of liquid or near-liquid cash assets (current assets minus current liabilities)

City Profile

General Information Of The City

The City of South Pasadena is located approximately six miles northeast of downtown Los Angeles, between the cities of Pasadena, San Marino, Los Angeles and Alhambra. It has a population of 26,174. Founded in 1874 by the Indiana Colony, the City was incorporated as a General Law city of the State of California on March 2, 1888. South Pasadena is known for its tree-lined streets, historic California Craftsman-style homes, unique small businesses and its outstanding public schools. This small town atmosphere makes South Pasadena one of California's most desirable locations. South Pasadena has quality education, a strong religious community, an extensive network of parks and a rich architectural heritage. Dynamic civic organizations, a population of ethnic and cultural diversity, and a vital seniors' group further enrich our small-town quality of life. Small, proud and independent, the City of South Pasadena has battled for a hundred years to preserve its status as a distinct—and distinctive—community. South Pasadena possesses a full-service City government that provides high-quality services in general administration, police, fire, library, public works, community development, and redevelopment projects.

History Of The City

In early 1874, the area that is now South Pasadena was a part of the San Gabriel-Orange Grove Association. In 1875, the stockholders of the association voted to name their town Pasadena and just three years later, residents living in the southern portion of Pasadena considered themselves South Pasadenans.

In February of 1888, in order to control their own territory, South Pasadenans voted eighty-five to twenty-five for incorporation. A board of trustees was elected and Ammon B. Cobb was appointed as the first marshal, with Marshal B. Selmen as his deputy.

On March 2, 1888, South Pasadena officially incorporated with a population of slightly over 500. The City's boundaries established in 1889 are essentially the same today. South Pasadena consists of 3.44 square miles of prime residential property. In 1876, unimproved land with water was selling from \$75 to \$150 an acre. Today a vacant lot in South Pasadena can be sold for more than \$200,000.

Few cities in California are better recognized for the quality of its small-town atmosphere and rich legacy of intact late 19th and early 20th century neighborhoods and residences. South Pasadena also has a strong claim to having the oldest and most historic sites in the San Gabriel Valley. For many centuries, its adjacency to a natural fording place along the Arroyo Seco had served as a gateway to travel and commerce for aboriginal peoples here and along the coast. It was here that Hahamognas greeted Portola and the missionaries who later established the San Gabriel Mission a few miles to the west.

The initial buildings on the Rancho San Pascual, which subsequently gave birth to the Cities of Pasadena, South Pasadena and Altadena, were built here. The first of these adobe structures became headquarters for General Flores and his staff in 1847 where they agreed to surrender to American forces, ending Mexican Colonial rule in California.

In 1888, South Pasadena incorporated the southern portion of the Indiana Colony and land south and eastward to the Los Angeles border, becoming the sixth municipality in Los Angeles County. With the establishment of the Raymond Hotel and the Cawston Ostrich Farm, the small community was able to attract tourists and increasingly large waves of new residents to the Pasadena area in the late 19th and early 20th Centuries. With completion of the Pacific Electric Short Line, putting the entire city within easy walking distance of the “red car” stations, South Pasadena also became one of the first suburbs of Los Angeles. It is now certainly one of the best-preserved cities, maintaining a small-town quality and humanity in the scale of its buildings, its residential streetscapes and historic commercial core.
