Finance Commission Agenda Report

DATE: May 23, 2022

FROM: Ken Louie, Interim Finance Director

SUBJECT: **Approval of 2022-23 Annual Budget**

Recommendation

It is recommended that the Finance Commission review and approve the 2022-2023 Annual Budget.

Background

The City of South Pasadena adopts a comprehensive Annual Adopted Budget (“Budget”) for all funds including the General Fund. In addition to the General Fund, there are *Enterprise Funds*, *Special Funds* and *Internal Service Funds*. The City has enterprise funds such as the Water and Sewer Funds. Enterprise funds can be for profit but moreover serve to provide a public service while making sure that they are solvent (revenues meet or exceed expenses). The City also has Special Funds which include but are not limited to Prop A, Prop C, Metro grants, etc. These funds must be spent on a specific purpose, usually come from a federal, state or county source and are highly regulated by a third-party secured by the grantor. Internal Service funds are implemented within the agency to ensure that all funds are paying/receiving their fair share of revenue and expenses. A good example of this is the City’s Fund 103 - Insurance Fund which collects from the appropriate internal entity so each entity can be charged its fair share of insurance costs.

The Budget process begins early in the calendar year and is a lengthy process of department meetings, and revenue/expenditure analyses coordinated through the Finance Department. Once all departments have submitted their proposal for the upcoming fiscal year, they confer on the final proposal with the City Manager. The City Manager and Finance Director forward this tentative final document to the Finance Commission and ultimately to the City Council in what is called “The Preliminary Budget”. A budget presentation is then held for the City Council. This year’s presentation is May 25, 2022.

The Finance Commission met on May 16, 2022 to deliberate on the Proposed Budget. The Commission expressed the desire to have an additional meeting tonight, May 23, 2022 to achieve a greater level of comfort. Staff looks forward to any recommendations the Commission may have and will forward any suggestions to the City Council at the May 25, 2022 meeting.

Discussion/Analysis

Enclosed is the Proposed Budget which features Total Budget Revenues of \$69,748,864 and Total Budgeted Expenditures of \$69,724,739 for a net organizational change of \$24,125. The General Fund is budgeting revenues of \$36,129,935 and Expenditures/outflows of \$35,929,826 for a projected net positive change of \$200,109. The focus of this report will be on the General Fund as all other funds are highly regulated by a third-party and revenue within those funds are for a specific purpose. Whereas, the General Fund is at the sole discretion of the City Council.

Other Considerations

“Wish List”

Items that are under consideration to be added to the upcoming budget but that are not in the upcoming budget as-built are placed on the Wish List. These will be discussed at the May 25, 2022 Budget Presentation. The current list is as follows:

- Skating rink for holiday season (\$30,000)
- LED lighting for Golf Course (\$16,000)

SLFRF

The City has received \$6,059,235 in unrestricted SLFRF (formerly known as “ARPA” funding now “State and Local Fiscal Recovery program-SLFRF”). These funds were originally intended to assist local entities in offsetting the costs and circumstances encountered due to the COVID-19 pandemic. However, in January 2022 the “Final Rule” with regards to these funds was issued and it does not place any restrictions on the use of these funds for entities receiving less than \$10 million. The City Council has expressed preliminary interest in funding the following projects/items with SLFRF dollars.

- Already-incurred emergency supplies/equipment costs from pandemic (\$1 million)
- MOU Negotiations (\$ to be determined)
- Fire Apparatus/Ambulance (\$1 million)
- Public Works Asphalt Utility Truck (\$300,000)
- Employee engagement/retention due to “The Great Resignation” (\$ to be determined)

The City Council will deliberate on which items will be funded and to what degree during the May 25, 2022 Budget Presentation.

Fiscal Impact

The net fiscal impact of the current budget as-built is a positive increase in fund balance of \$200,109.

Public Notification of Agenda Item

The public was made aware that this item was to be considered this evening by virtue of its inclusion on the legally publicly noticed agenda, posting of the same agenda and reports on the City’s website.

About South Pasadena

The City of South Pasadena is located approximately six miles northeast of downtown Los Angeles, between the cities of Pasadena, San Marino, Los Angeles and Alhambra. It has a population of 26,580. Founded in 1874 by the Indiana Colony, the City was incorporated as a General Law city of the State of California on March 2, 1888. South Pasadena is known for its tree-lined streets, historic California Craftsman-style homes, unique small businesses and its outstanding public schools. This small-town atmosphere makes South Pasadena one of California's most desirable locations. South Pasadena has quality education, a strong religious community, an extensive network of parks and a rich architectural heritage. Dynamic civic organizations, a population of ethnic and cultural diversity, and a vital seniors' group further enrich our small-town quality of life. Small, proud and independent, the City of South Pasadena has battled for a hundred years to preserve its status as a distinct—and distinctive—community. South Pasadena possesses a full-service City government that provides high-quality services in general administration, police, fire, library, public works, community development, and redevelopment projects.

City History

In early 1874, the area that is now South Pasadena was a part of the San Gabriel-Orange Grove Association. In 1875, the stockholders of the association voted to name their town Pasadena and just three years later, residents living in the southern portion of Pasadena considered themselves South Pasadenans.

In February of 1888, in order to control their own territory, South Pasadenans voted eighty-five to twenty-five for incorporation. A board of trustees was elected and Ammon B. Cobb was appointed as the first marshal, with Marshal B. Selmen as his deputy.

On March 2, 1888, South Pasadena officially incorporated with a population of slightly over 500. The City's boundaries established in 1889 are essentially the same today. South Pasadena

consists of 3.44 square miles of prime residential property. In 1876, unimproved land with water was selling from \$75 to \$150 an acre. Today a vacant lot in South Pasadena can be sold for more than \$200,000.

Few cities in California are better recognized for the quality of its small-town atmosphere and rich legacy of intact late 19th and early 20th century neighborhoods and residences. South Pasadena also has a strong claim to having the oldest and most historic sites in the San Gabriel Valley. For many centuries, its adjacency to a natural fording place along the Arroyo Seco had served as a gateway to travel and commerce for aboriginal peoples here and along the coast. It was here that Hahamognas greeted Portola and the missionaries who later established the San Gabriel Mission a few miles to the west.

The initial buildings on the Rancho San Pascual, which subsequently gave birth to the Cities of Pasadena, South Pasadena and Altadena, were built here. The first of these adobe structures became headquarters for General Flores and his staff in 1847 where they agreed to surrender to American forces, ending Mexican Colonial rule in California.

In 1888, South Pasadena incorporated the southern portion of the Indiana Colony and land south and eastward to the Los Angeles border, becoming the sixth municipality in Los Angeles County. With the establishment of the Raymond Hotel and the Cawston Ostrich Farm, the small community was able to attract tourists and increasingly large waves of new residents to the Pasadena area in the late 19th and early 20th Centuries. With completion of the Pacific Electric Short Line, putting the entire city within easy walking distance of the “red car” stations, South Pasadena also became one of the first suburbs of Los Angeles. It is now certainly one of the best-preserved cities, maintaining a small-town quality and humanity in the scale of its buildings, its residential streetscapes and historic commercial core.

City Manager

Fiscal Year 2022-23 Budget Snapshot

Overview

The City Manager is appointed by the City Council and serves as the Chief Administrative Officer, ensuring that the policies of the Mayor and City Council are executed effectively and efficiently. Specific areas of responsibility include oversight of seven operating departments, public information and public engagement, legislative tracking, following up on citizen concerns, providing recommendations to promote organizational efficiency and overseeing the development and presentation of the annual budget.

The City's Economic Development Division is housed under the City Manager's Office, and is the liaison to the business community, focused on efforts to strengthen and grow the local economy, and serves as a liaison to business affairs at City Hall. The Division oversees the communications and engagement efforts of the City, including marketing, branding social media and the City's website.

Notable Changes – Wages and Benefits

Due to organizational restructuring, City Manager has become its own department and is now separated from Management services. City Manager has 5 FTEs for Fiscal Year 2022-23. One part-time management intern has been added.

Notable Changes – Operations and Maintenance

No items budgeted for Operations and Maintenance.

Capital Outlay

No items budgeted for Capital Outlay.

*During fiscal year 2021-22, the City Manager's department was split into two departments (City Manager and Management Services). For purposes of clearer financial picture, the budgetary accounting portion of it will begin in 2022-23. The brown shading above depicts what portion would remain attributable to the City Manager's department with the balance of the true expenditures transferred to the new Management Services Department. The green shading is the new complete picture of the City Manager budget.

**The Proposed amounts reflect the budget for the 5 authorized positions in FY22-23 for the City Manager's department.

- Approach IT initiatives as a partnership between IT and individual departments

Modernizing the Organization

- Implement on-demand user training on security issues relating to computer, internet, and telephone use with emphasis on preventing successful virus/malware/ransomware attacks and fraudulent activity such as impersonation of a person, vendor, or IT
- Conduct biannual trainings on cybersecurity
- Work with other Departments to select a modern phone system

Finance

Fiscal Year 2022-23 Budget Snapshot

Overview

The Finance Department accounts for all City and Successor Agency expenditures, administers business licensing and water billing through third-party vendors, accounts for revenue collection, performs city wide accounting functions, including grant accounting, processes the biweekly payroll through a third-party vendor, prepares payment of all obligations for review and approval by the City Council, and sends out approved check warrants. In conjunction with, and subject to the independent certification of the City/Agency independent audit firm, the Department prepares the City's Annual Comprehensive Financial Report (ACFR). The Department also prepares annual reports for the State Controller and other State and Federal agencies. Under the direction of the City Manager, the Department prepares the City's annual budget.

The Finance Department oversees the utility billing function by utilizing a third-party vendor for the City's approximately 7,000 accounts for all water, refuse and sewer fees. The Department works with the City Treasurer, Finance Commission, and committees with respect to the various financial issues. As required by the Government Code, monthly investment reports are provided to the City Council summarizing investment holdings and rates of return on investments.

Notable Changes – Wages and Benefits

Full-time permanent salaries increased due to department staffing changes. Based on the technical requirements for the positions, two Management Assistant positions have been upgraded to Management Analyst. Last fiscal year saw an increase in part-time and temporary staff salaries due to vacancies and staffing needs, such as the Interim Finance Director and part-time Management Analyst.

Notable Changes – Operations and Maintenance

The only notable increase is the Liability and Surety Bonds line item. The City has established an Internal Service Fund for Insurance, for the purpose of managing the City's self-insured general liability and worker's compensation policy. The Liability and Surety Bonds line item funds the Insurance Fund.

Key Performance Indicators

At the Finance Department, we strive to work efficiently and effectively. In the past few years we have launched various projects that will be in full effect this year.

Workflows

In Fiscal Year 2021-2022, the Accounts Payable and Receivable functions became completely digital via a workflow process. This cuts down staff time significantly, as well as streamlines a previously strenuous process. It also falls in line with the City's environmental strategies by reducing the amount of paper used.

Payroll

The Finance department has taken on the magnanimous task of in-house payroll. This allows staff to have more autonomy over their payroll. We endeavor to make this process more efficient, therefore time and attendance procedures are currently being developed. In FY 2022-2033, our goal is to successfully launch the Time and Attendance portion of payroll utilizing Time Clock Plus.

Records

Finance converted document retention procedures to a digital format. In previous years, all documents were only paper copies. We have invested time into scanning and converting documents to a digital platform in order to have quicker access. This allows the department and the City to respond to inquiries quicker in the future. We continue to change all paper documents into a digital and/fillable form to continue these procedures.

Enterprise Resource Planning Upgrade

Finance currently utilizes a software called Springbrook for its accounting needs and resources. This year we plan to take this software to new heights by enrolling in the Cloud-based system. This will allow the department to generate new reports and improved reports. As well as adding a layer of security to our financial data in the event of a natural disasters.

Bank Reconciliation

Bank reconciliations shall be completed 30 days after the previous month end and no later than 45 days.

Annual Audit and ACFR

The audit shall commence in November with the completion of the audit no later than January of the following year. The Annual Comprehensive Financial Report (ACFR) shall be completed and submitted to City Council in March following the prior fiscal year.

7010 Salaries – Temp / Part

Funds monthly stipend of elected City Treasurer. The Treasurer's stipend is authorized by Government Code and City resolutions.

Police

Fiscal Year 2022-23 Budget Snapshot

Overview

The Police Department provides a full range of law enforcement and crime deterrence services. Services include street patrol, traffic patrol, crime investigation and analysis, parking enforcement, and a community crime prevention program. Support services for sworn officers include training, records, property evidence, dispatch center, and administrative support. As a reflection of the community, the Police Department has enhanced its diversity by increasing the number of female police officers to three.

The South Pasadena Police Department is comprised of 34 sworn officers including Lieutenants, Sergeants, Corporals, Deputy Chief of Police and Chief of Police, 18 full-time non-sworn personnel and additional part-time non-sworn personnel including Police Cadets. The department is augmented with an additional four Reserve Officers and a volunteer Chaplain.

\$200,000 has been set aside as an assigned reserve for Mental Health.

Notable Changes – Wages and Benefits

The Police Department intends to fill all vacancies and bring the level of staffing up to authorized strengths. The overtime exceeded expectations is due to unfilled vacancies, increased patrol for special assignments and COVID-19 related absences. In Fiscal Year 2022-23, the Police Department had an increase in overtime due to unfilled vacancies, and COVID-19 related absences.

Notable Changes – Operations and Maintenance

To become more sustainable and support the City's Green Action Plan, the Police Department is moving towards the electrification of its fleet of vehicles. The contract for crossing guards with All City Management was increased to reflect the return to in-person learning and a traditional school calendar.

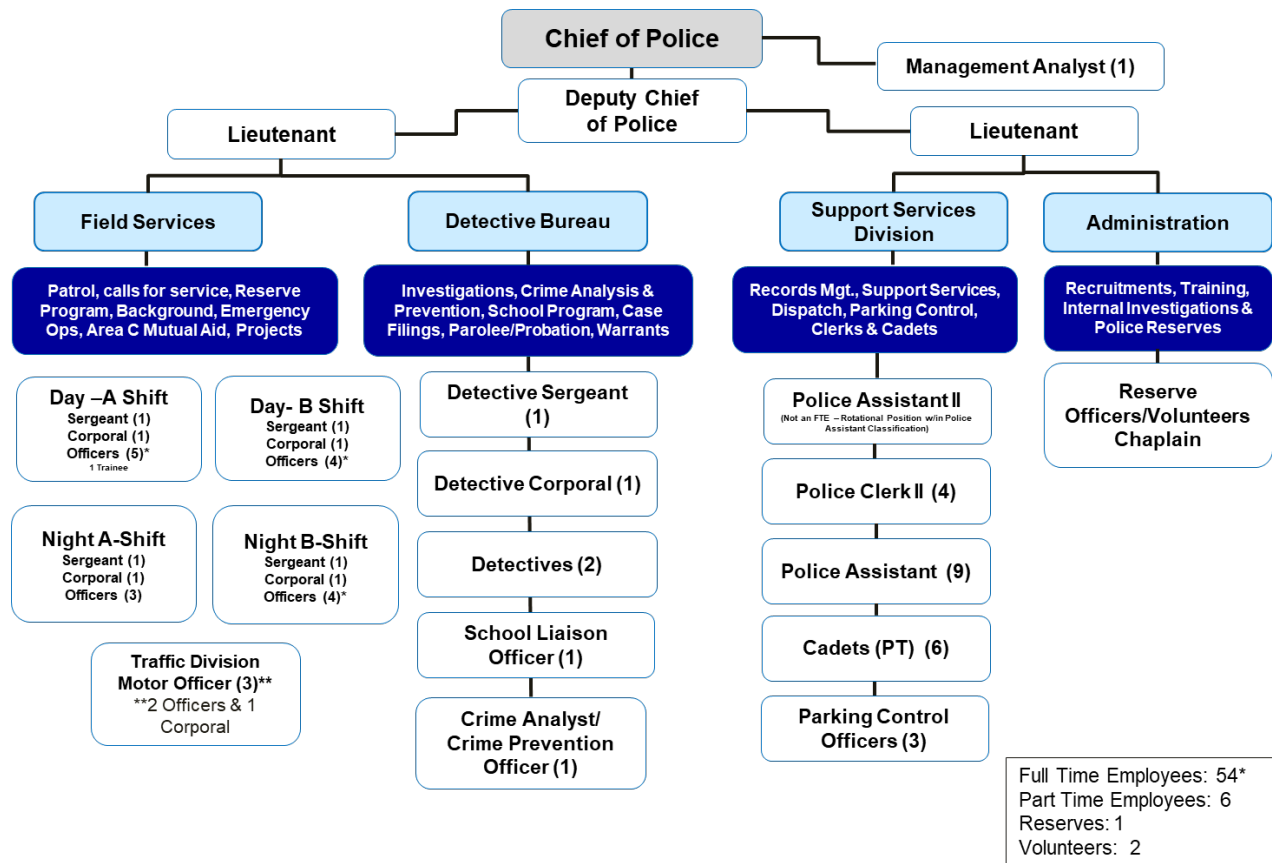

Capital Outlay

The COPS Grant is funding the new Computer Aided Dispatch and Records Management System.

Key Performance Indicators

The South Pasadena Police Department meets the needs of the community by providing professional services to safe guard the city in crime prevention. Community outreach is accomplished by active patrols, educational programs, and social media through the City's website. The Key Performance Indicators (KPI) for the department demonstrate the need to quantify its information in a concise and articulate manner.

Computer Aided Dispatch and Record Management System (CAD/RMS)

- On March 22, 2022, the Motorola Flex System went into effect to bring the South Pasadena Police Department into 21st century of law enforcement
- The system incorporates a new Geographical Information System (GIS) that decreases the officer response time from time of dispatch
- The CAD decreases response time to 911 calls for service
- All calls for service can be tracked in a detailed report as to the initiation of a call, time of response, and length of duration. This information can be tabulated in an annual report to the City Council
- The Records Management System capabilities unite several departments, patrol, detectives, and records division into a simultaneous report flow limiting human input errors
- The increase in information capture enhances the departments efficiency and provides an increase in details on a monthly basis

The South Pasadena Police Departments Assessment of 2022

- The Request for Proposals have been completed and the selection process has begun
- The chosen firm will evaluate the separate bureaus of patrol, detectives, dispatch, traffic, records, and administration to examine work flow of each bureau and provide input to increase efficiency to the department as a whole

Racial and Identity Profiling Advisory (RIPA) AB 953

- The South Pasadena Police Department RIPA statistics began compilation on January 1, 2022, and submitted to the Department of Justice in April, 2023
- The RIPA statistics shall include:
 - Stop Data Demographics
 - Calls for Service
 - Actions Taken During Stop by Officers
 - Result of Stop
 - Tests for Racial/Ethnic Disparities
 - Use of Force Analysis
 - Report-Specific Analyses

Enhanced Community Needs Outreach Via Mobile Crisis Outreach Unit

- Increase City's outreach efforts with a contracted partner
- Provide dedicated response to individuals experiencing mental health crises
- Track and report data regarding number of referrals for mental health and addiction treatment, along with placements aimed towards permanent housing for those experiencing homelessness

Fire

Fiscal Year 2022-23 Budget Snapshot

Overview

The Fire Department provides for the protection of life, property, and the environment from the adverse effects of fires, medical emergencies, and hazardous conditions through progressive resource deployment. The Department offers Fire prevention programs and community education activities. The Fire Department provides emergency fire and life safety response services around the clock every day of the year.

Notable Changes – Wages and Benefits

Increases in wages and benefits are associated with increased retirement costs and health benefit costs.

Notable Changes – Operations and Maintenance

While there are no significant increases in Operations and Maintenance, some Operations and Maintenance costs are up due to COVID related supplies and equipment. The City has received CARES funds to help with COVID related costs, but on a city-wide basis, costs will be more than the CARES funds received to date. One-time increase in fuel due to the current fuel cost crisis.

Capital Outlay

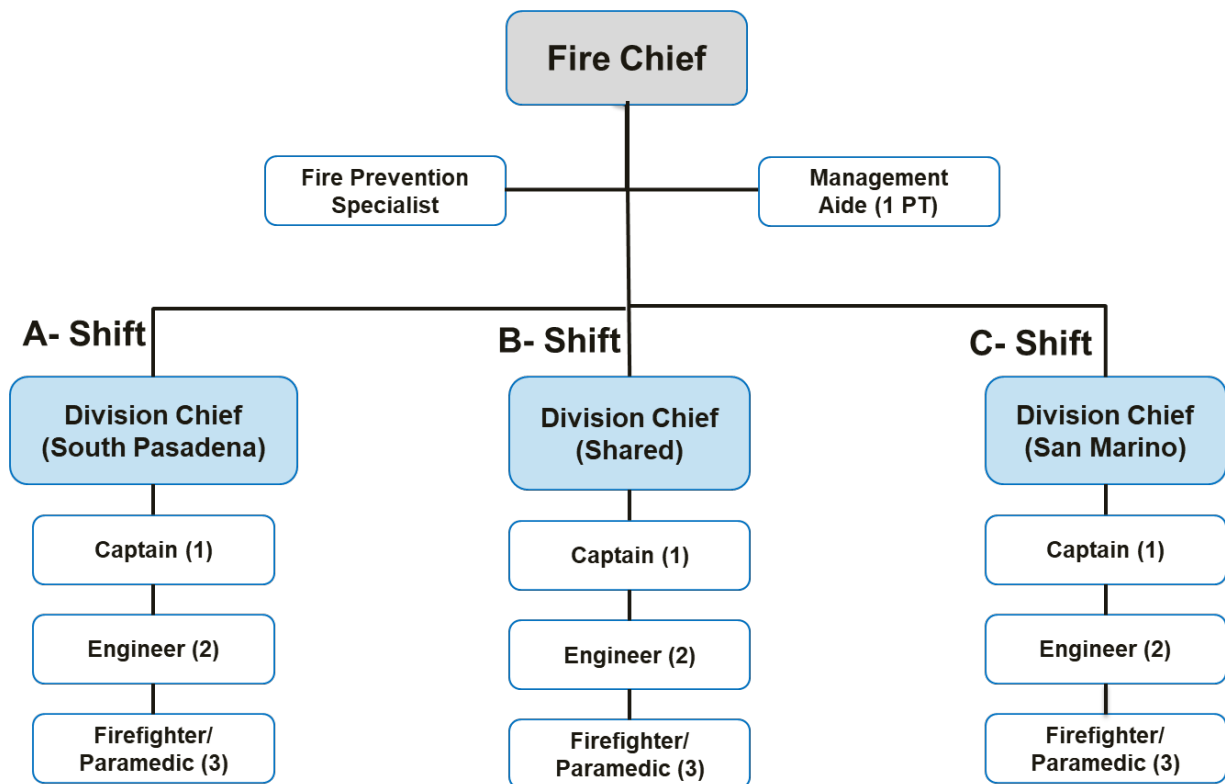

Replacement of Self-Contained Breathing Apparatus (SCBA). Estimated cost: \$150,000.

The department's current SCBA's are at their end of life span and will be out of OSHA compliance at the end of 2023. SCBA's are worn by fire department suppression personnel on all incidents where there is the possibility of hazardous atmosphere. SCBA's are also a requirement of OSHA's Respiratory Protection Program for respiratory protection of firefighting personnel

Key Performance Indicators

UNITS OF MEASURE

This is the most basic unit of measurement. Includes raw sources of data that measure productivity. Includes both inputs (number of requests, cases, applications, complaints, referrals received); and outputs (number of requests, cases, applications, complaints, referrals closed).

Total Response Time

- Fires
- EMS

Turnout Times

- Fires
- EMS

Number of Emergency Calls

- Fires
- EMS
- Service

Number of EMS Transports

Number of Mutual/Automatic Aid Responses

- Given
- Received

Number of Fire Prevention Inspections

- Company Field
- Mandated Occupancy Inspections
- Certificate of Occupancy (COO)/ New Business
- Brush Clearance

Number of Plan Checks

- Fire Sprinkler
- Fire Alarm
- Building

Training Hours

Leave Usage

- Sick
- Comp
- Worker's Comp/ IOD hours

KEY PERFORMANCE INDICATORS

Measures that would indicate success in achieving your department's core missions. Measures of volume and efficiency. Targets successfully delivered.

- Reduction and Maintenance of Response Times consistent with NFPA 1710
- Reduction and Maintenance of Turnout Times consistent with NFPA 1710
- Compliance with DHS and Departmental EMS QA and QI Indicators and Standards
- Complete 100% of Company Field Inspections annually
- Complete 100% of Brush Clearance Inspections annually
- Complete Mandated Occupancy Inspections
- Complete COO / New Business Inspections within 5 days of request
- Complete Plan Checks
- Complete all required Training Hours annually
- Adequately manage sick leave usage
- Adequately manage worker's comp / IOD hours
- Conduct appropriate number of Public Education events annually (measure through attendance, candy canes, pancakes, ticket sales, etc...)
- Increase attendance at events and education opportunities

OUTCOMES MEASUREMENT

Measures of success as seen from the perspective of the end user (a customer): reduced processing times, easier access, quicker response, successful resolution of problems. Indicators might include measures of health and happiness, economic improvements, etc.

- Response Time Reductions
- Reduction in plan check turn-around time
- Annual visit by Fire Company to businesses and apartments
- Fast processing of COO / New Business inspections
- Superbly trained and effective personnel
- Crew consistency, camaraderie, morale, enthusiasm
- Happy and large attendance at events and education opportunities

MEASURES OF CUSTOMER SATISFACTION

Identify three means by which you would propose to measure customer satisfaction.

- Community Surveys / Public Forums / Town Hall
- City Website
- Online Questionnaires / Surveys
- Community Events / Feedback
- Public Education Events / Feedback
- Social Media
- Comment Cards

Public Works

Fiscal Year 2022-23 Budget Snapshot

Overview

The Public Works department is pleased to submit the Fiscal Year 22-23 budget proposal. The Public Works Department is comprised of four divisions: the Engineering Division, Operations & Maintenance Division, Environmental Sustainability Division, and the Water Division.

The Engineering Division is responsible for:

- Interagency Coordination (METRO, Arroyo Verdugo Communities Joint Powers Authority, San Gabriel Valley Council of Governments, Federal Highway Administration, Caltrans, CalRecycle, LA County, and neighboring jurisdictions).
- Capital Improvement Projects, including design, plan review, construction management, and inspections.
- Grants administration, and contracts award and management.
- Traffic Operations, including Active Transportation and Intelligent Transportation Systems.
- Private Developments, plan reviews, right of way improvements' inspections, traffic, and environmental impact studies.
- Municipal Separate Storm Sewer System (MS4) permit compliance
- Issuance of right of way encroachment permits.
- Support Public Works & Mobility and Transportation Infrastructure Commissions.

The Maintenance Division is responsible for:

- Parks and Urban Forest Management.
- Traffic Signals, Street Lights, and Facilities.
- Street and sidewalk maintenance, and traffic control setup for special events.
- Storm Drain and sewer system (58 miles) maintenance.
- Utility Coordination.

The Environmental & Sustainability Division is responsible for:

- Water conservation; educate, promote, and implement water-saving programs through rebates and workshops
- Environmental and sustainability programs, implementing the City's Green Action Plan (GAP) and Climate Action Plan (CAP).

The Water Division is responsible for:

- Water production, treatment, and distribution, delivering of safe, clean water to over 6,200 connections.
- Water infrastructure maintenance consisting of eight water storage tanks, six pump stations, and 130 miles of pipelines.
- Water resources planning and coordination for short and long-term reliable water supplies.

Notable Changes – Wages and Benefits

Increases in Wages and Benefits due to cost-of-living increases and increases in retirement and health insurance. Through the last fiscal year, several positions were consolidated or created, including the Deputy Public Works Director, Environmental Sustainability Manager, Management Analysts and Transportation Engineer. The Public Works department divisions and positions were reorganized.

Notable Changes – Operations and Maintenance

- Increases in professional and contract services to accommodate expected workload and costs increases.
- Increases in building maintenance budgets to accommodate necessary building repairs, including HVAC systems.
- Adding mileage reimbursement and fuel accounts to field divisions.
- Increasing the allocation of expenditures to revenue accounts, including gas tax and Measure W Safe Clean Water Program.
- Increase in tree planting budget to accelerate the filling of vacant tree lots in the City.

Capital Outlay

Traffic Signals – Cabinet replacement or upgrades

Facilities & Equipment Maintenance – Aerial Lift Truck

Street Maintenance - Operations & Maintenance Division Asphalt Truck

Water Distribution - Water Division Vehicle and backhoe concrete breaker attachment

Water Production - Valve Truck for preventative maintenance valve exercise program

- Respond to emergencies, including water service/main break leaks within 1 hour.
- Quarterly Updates on programs and projects.

Community Development

Fiscal Year 2022-23 Budget Snapshot

Overview

The Community Development Department is comprised of four divisions: Planning, Building and Safety, Code Enforcement, and Housing. Additionally, the Department issues film permits and yard sale permits. Staff in Community Development serves the Planning Commission, Cultural Heritage Commission, Design Review Board and Public Art Commission. The Planning staff administers the City's Zoning Code including land use and development regulations, processes land use permits, and undertakes long range land use planning. In addition, the Department is responsible for the planning and development review of the built environment in South Pasadena. The Building staff enforces construction standards to safeguard life, health, and property by reviewing building plans for code compliance, issuing building permits, and performing construction inspections. The code enforcement staff works with property owners to secure compliance with the municipal code regarding property maintenance and operations. Housing is the newest division in the Department and focuses on developing affordable housing policies and implementing strategies to improve housing opportunities for all income levels.

Notable Changes – Wages and Benefits

There is an increase in overall wages and benefits due to additional staffing needed in the department to manage the Planning case log, implementation of the housing programs in the State mandated Housing Element, required zoning code amendments due to the General Plan, Housing Element and Downtown Specific Plan updates, among other department priorities.

Notable Changes – Operations and Maintenance

In addition to completion of the zoning code amendments brought on by the Housing Element, General Plan and Downtown Specific Plan, the budget for Professional Services will include an extensive work plan including:

- Zoning code amendments required by adoption of the Housing Element and General Plan
- Housing Element implementation
- Implementation of SB 381
- Electronic permitting system
- Historic evaluation study
- Soft story building inventory
- Occupancy inspection program
- Commercial area parking study

Library

Fiscal Year 2022-23 Budget Snapshot

Overview

The Library Department serves people from all walks of life and socio-economic backgrounds and is a community resource for literacy, lifelong learning, recreation, and professional development. In a typical year, more than 20,000 customers visit each month, and items for reading, viewing and listening are checked-out more than 250,000 times. Reference librarians connect people to information and plan engaging cultural and literary events. The Local History Collection preserves our community memory for the benefit of current and future generations. The Children's Room supports literacy and promotes a love of reading with regular story times and a robust Summer Reading Program. The Library also provides free high-speed Wi-Fi and an array of digital resources that are available to the public 24/7.

During Fiscal Year 2021-2022, the Library continued to meet the challenges presented by the pandemic. In-person services were safely reintroduced and popular services implemented during the pandemic, like the ability to place holds on any items, were made permanent. Goals met during the previous fiscal year also include the release of an RFP for a strategic planning consultant, and staff engagement around issues of equity, inclusion, and diversity, with all full-time staff attending a 6-hour interactive course titled Equity in Action: Fostering an Antiracist Library Culture.

The Library's goals for Fiscal Year 2022-2023 include continuing to ensure that our in-person library services are safe and compliant with public health guidelines, completing a strategic plan, placing the library special parcel tax on the November 2022 ballot, hosting a Library Open House, and continuing to provide equitable and inclusive programs and services to customers.

Notable Changes – Wages and Benefits

The budget reflects the Library's request for a support services librarian, which would return the total FTE count to 10 (the number it was prior to fiscal year 2021-2022). It also reflects the proposed reclassification of a full-time Clerk I to Clerk II in the Support Services division. Part-time expenses continue to rise, due to salary scale adjustments adopted in 2019 to meet the requirements of the State of California Minimum Wage Order. The part-time salaries budget also includes funds for a passport services clerk which are offset by fee revenue.

Notable Changes – Operations and Maintenance

There are no notable changes to M&O accounts.

Capital Outlay

Funds have been designated to replace the tables on the Library patio, to purchase new ergonomic workstation furniture for staff, and for HVAC for the administrative office that lacks heating or cooling.

Budget Detail

PERSONNEL SERVICES

7000 Regular Salaries

Funds compensation for a full-time staff of ten positions. These include 1 Library Director; 1 Public Services Manager, 1 Support Services Manager, 2 Adult Services Librarians, 1 Support Services Librarian, 1 Children's Librarian, 1 Administrative Secretary, 1 Library Technical Assistant, and 1 Library Clerk II.

7010 Wages - Seasonal and Part-Time Employees

Funds the compensation of part-time library staff members who are paid hourly rates, including passport services clerk and Community Room rental staffing, which are offset by fee income.

7020 Overtime

Funds compensation for any overtime use throughout the year, at one and one-half times the regular salary or wage. Overtime is very sparingly used to compensate non-exempt professional staff when program preparations, meetings, etc. require them to work beyond a regular 8-hour work day.

OPERATIONS & MAINTENANCE

8000 Office Supplies

Funds the purchase of paper, stationery, rolls for receipt printers, folders, notepads, cash register and mailing supplies, toner, business cards, name badges, and general office supplies (\$6,500).

8010 Postage

Funds postage fees for correspondence, grant applications, invitations, overdue material notifications, and inter-library loan items lent or returned to their owning institutions (\$1,500).

8020 Special Department Expense

Funds the purchase of barcodes, security strips, CD and DVD cases and sleeves, supplies for children's programs, book trucks, archival supplies, book jackets, mending tape, display racks, and other miscellaneous provisions; collection development resources for staff, performers' fees, special event insurance for Library programs, and software that supports the provision of services and resources to the public (\$20,000).

8030 Periodicals

Funds hard copy magazine and English and foreign language newspaper subscriptions, including the *South Pasadena Review*, *South Pasadenan*, *Pasadena Star-News*, *Los Angeles Times*, and many others (\$7,000).

8031 Digital Resources

Funds the purchase of or subscription to digital resources, the majority of which are remotely available 24/7. Resources include encyclopedias, access to scholarly articles, assistance with homework, test preparation, and job seeking, streaming

films, advice for readers, digital comics and manga, and interactive e-books for kids (\$20,000).

8040 Advertising/Publicity/Outreach/Marketing

Funds the purchase of print and online ads in newspapers for major projects, programs, or events (\$1,000).

8050 Printing and Duplication

Funds the printing and duplication of brochures, promotional bookmarks, magnets, posters, library card applications, and a variety of other printed materials for the public (\$3,500).

8060 Dues and Memberships

Funds membership to the California Library Association, the Califa libraries consortium, Southern California Library Cooperative, American Library Association, and other professional organizations. Memberships provide discounted pricing on selected resources, continuing education, professional development, and networking opportunities (\$4,200).

8070 Mileage Reimbursement

Funds mileage reimbursement when a staff member's private vehicle is used to conduct City business. Used mostly to compensate staff for attending required meetings and to support the training and continuing education of staff members at off-site workshops, meetings, and training sessions (\$100).

8080 Books/DVDs/CDs

Funds the purchase and outsourced physical processing of books, music and audiobook CDs, and DVDs and Blu-rays. Annual circulation of materials exceeds 250,000 (\$105,000).

8083 E-Books

Funds the purchase of circulating digital books and digital audiobooks for children, teens, and adults. Annual circulation of digital books and audiobooks exceeds 28,000 and increases as the collection grows (\$35,000).

8085 Citywide Reading Program

Funds the purchase of physical and digital books and speaker fees for a community reading program (\$1,000).

8090 Conference and Meeting Expense

Funds conference and meeting travel expenses and registration fees for staff (\$2,000).

- 8520 Machinery & Equipment
Funds to replace five non-ergonomic staff workstations (\$12,000).

8530 Computer Equipment

Funds for 2 tablet devices and 2 mobile scanners for use at events off-site, for collections management projects in the stacks, and for backup circulation services (\$2,000).

Key Performance Indicators

The Library's main focus early in the 2022-2023 fiscal year is to complete its 5-year strategic planning process and to engage in education and outreach in support of the Library Special Tax measure that will be on the ballot in November, including the publication of a new library information brochure.

If the budget request for a full-time support services librarian is approved, the department will engage in a reorganization of roles and responsibilities in the Support Services division, and in documenting and revising the division's policies, procedures and workflows.

Special projects for 2022-2023 include replacing the Library Patio tables and benches, launching a laptop lending kiosk, implementing a materials acquisitions module in the Integrated Library System (ILS), and launching the Library of Things lending program.

Outreach

- Add 500 people to the Library's e-newsletter recipient list
- Conduct 15 SPUSD and private school class visits at the start of the school year

Operations

- Review and revise 4 administrative policies
- Add 4,500 new items to the collection
- Rent the Community Room 20 times annually

Programs & Services

- Exceed 12,000 visitors per month on average
- Lend 20,000 items per month on average
- Present at least 8 programs for adults, such as book discussions, author talks, hands-on crafting, concerts, and films
- Exceed program attendance of 4,000 individuals annually

Community Services

Fiscal Year 2022-23 Budget Snapshot

Overview

The Community Services Department provides services within four divisions:

- Senior Division: Provides older adults educational, social, physical, nutritional, and emotional services and city special events. The division slowly reopened its doors for onsite lunch services, classes, and activities for seniors in early 2022. Home-delivered meals will continue to serve seniors residing within city limits. Additionally, a new senior center supervisor was hired after the retirement of a long-standing employee. This will be a transition for the seniors along with programming and events.
- Recreation and Youth Division: Operates out of the Orange Grove Recreation Center and coordinates recreational classes for children and adults, after-school and summer child care, building and Park reservation, and city events such as Concerts in the Park and Eggstravaganza. Summer Camp Med will resume in summer 2022. Park reservations have resumed. Building reservations have resumed but at a slower pace.
- Community Transit: Operates the Dial-a-Ride Program, which offers essential services for seniors, including rides to medical appointments, grocery stores, financial institutions, and social gatherings provided by the City. Ridership is slowly increasing post-pandemic as seniors begin to feel comfortable and mandates have become less restrictive.
- Community Services Division: Provides general department oversight plus budget and grant administration, park improvements, community liaison activities, and contract management of the Arroyo Seco Golf Course, Arroyo Seco Racquet Club, San Pascual Stables, Batting Cages, Ironworks Museum, and Tower Venture Cellular. Many agreements are expiring, on a month-to-month basis or coming to an end of a term within its agreement. The Recreation Leased Facilities Ad Hoc Committee continues to meet and review contract agreements and assists with new contracts. The staff supports the Parks and Recreation Commission, Youth Commission, Senior Commission, Festival of Balloons, South Pasadena Tournament of Roses Committee, and Recreation Leased Facilities Ad Hoc Committee.

Notable Changes – Wages and Benefits

The hiring of a Deputy Director of Community Services and filling many vacant positions in all of its divisions to resume to pre-COVID programming.

Notable Changes – Operations and Maintenance

Offer new community events, contract classes and programs.

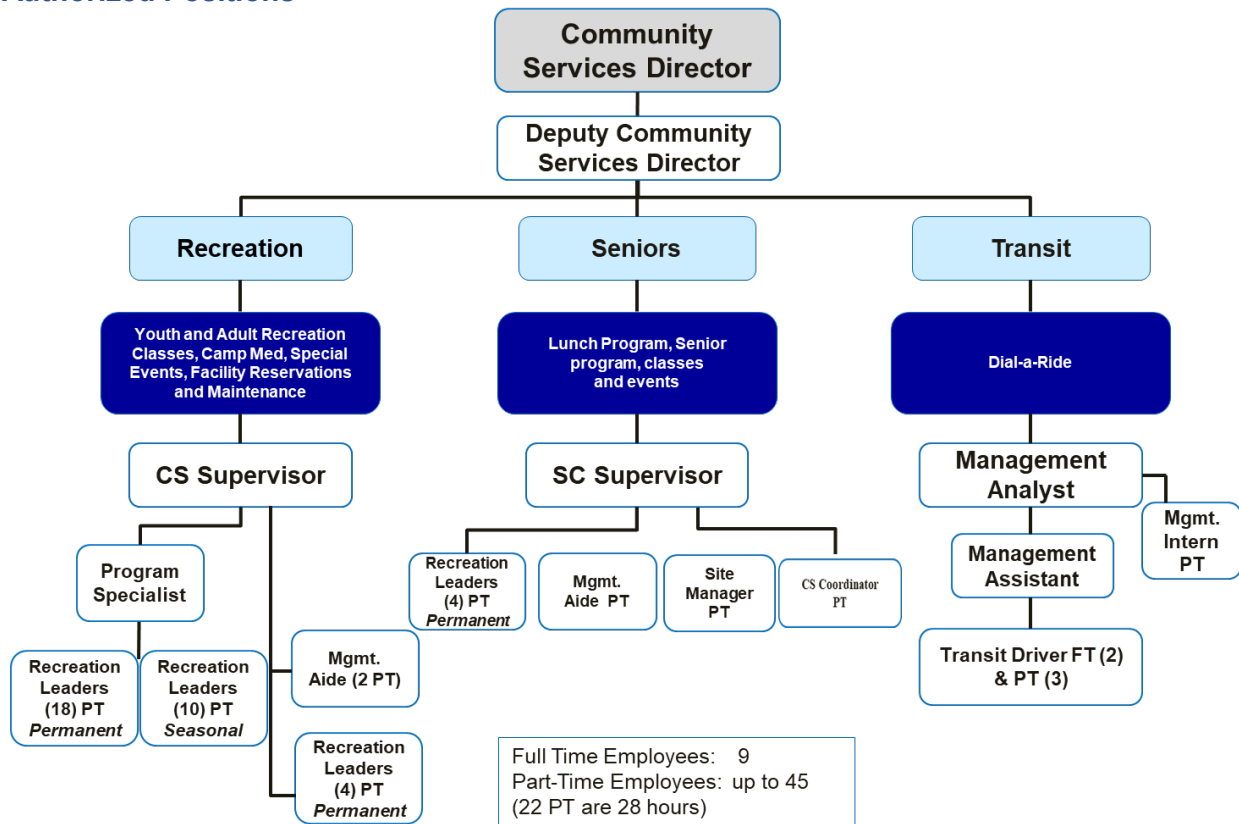

Capital Outlay

Construction of Berkshire and Grevelia Pocket Parks - see CIP (Park Impact Fees).

Key Performance Indicators

The Community Services Department is responsible for providing the community with recreational, cultural, and social programs for people of all ages in a safe and well-maintained facility. The department has three divisions comprising Senior, Recreation, and Transit Divisions. We facilitate special events, leisure classes, and senior services including lifelong learning, Dial-A-Ride and Nutrition Program, facility and gazebo reservations, after school and summer camps, and more. The Community Services Department builds a strong sense of community to improve the quality of life for all residents.

Administration

- Work with Recreation Leased Facilities Ad-Hoc Committee to review contract management of lease agreements
- Construction of Berkshire and Grevelia pocket parks

Recreation

- Improve Camp Med and Special Events outreach by establishing a quarterly newsletter between the Recreation Division and school district
- Redesign and update the indoor and outdoor facilities pamphlet as well as the park, walking paths, and trail pamphlet
- Increase afterschool and summer enrollment by 10%
- Add 2 additional staff trainings with at least one focused on behavior management in childcare settings
- Increase Park and Facility Rentals by 10%
- Increase participation in contract classes by 20%

Senior Services

- Increase social media followers by 5%
- Increase Senior Services Constant Contact subscribers by 10%
- Increase meals served on-site and to homebound seniors by 5%
- Increase Senior Center Memberships by 5%
- Re-introduce senior excursions and host 12 trips
- Host a Health & Wellness Fair by partnering with 45 vendors to increase awareness of aging matters and services

Transit Division

- Establish a referral program to increase ridership
- Reinstate group trips and plan two outings per month
- Have on-time performance of 80% or higher for the fiscal year
- Procurement of one new Plug-in Electric Vehicle to replace one CNG fleet

Successor Agency – CRA Debt Service / 227-7211

What is CRA?

Community Redevelopment Agency (CRA) has been Los Angeles' public partner in housing, commercial, neighborhood and economic development. CRA is dedicated to revitalizing, refurbishing, and renewing economically underserved areas of Los Angeles. CRA's main task is to lend a hand-to investors willing to take risks for a more vibrant city, to neighborhood resident with renewed aspirations for their communities, and to those in need who strive to take part in the city's growing prosperity. CRA helps increase the supply of housing for low income and moderate-income families, provide infrastructure for commercial and industrial development and create jobs necessary to maintain acceptable levels of employment.

Glossary of Budget Terms

APPROPRIATION

An authorization by the City Council to make expenditures/expenses and to incur obligations for a specific purpose within a specific time frame.

ASSESSED VALUATION

A dollar value placed on real estate or other property by the County of Los Angeles as a basis for levying property taxes.

AUDIT

A view of the City's accounts by internal audit staff or an independent auditing firm to substantiate fiscal year-end funds, salaries, reserves, and cash on hand.

BEGINNING/ ENDING (UNAPPROPRIATED) FUND BALANCE

Unencumbered resources available in a fund from the prior/current fiscal year after payment of the prior/current fiscal year's expenditures/expenses. This is not necessarily cash on hand.

BOND

Capital raised by a City by issuing a written promise to pay a specific sum of money (called the face value or principal amount) at a specific date or dates in the future, together with periodic interest at a special rate. The most common types of bonds are General Obligation, Revenue and Special Tax bonds.

BUDGET

A fiscal plan of financial operation listing an estimate of proposed applications or expenditures/expenses and the proposed means of financing them for a particular time period. The budget is "Proposed" until it has been approved by the City Council. South Pasadena's budget covers one fiscal year, from July 1 through June 30.

CAPITAL IMPROVEMENT

A permanent addition to the City's assets, including the design, construction or purchase of land, buildings or facilities, or

major renovations.

CAPITAL IMPROVEMENT PROGRAM

A financial plan of proposed capital improvement projects with single- and multiple-year capital expenditures/expenses.

CAPITAL OUTLAY

A budget appropriation category which budgets all equipment having a unit cost of more than \$1,000 and which has an estimated useful life of over one year.

CAPITAL PROJECTS

Physical structural improvements with a cost of \$5,000 or more and which have an estimated useful life of one year or more. Examples include a new park, building modifications or water system construction and improvements.

CITY MANAGER'S BUDGET MESSAGE

A general discussion of the budget and related financial issues.

DEBT SERVICE

Payment of the principal and interest on an obligation resulting from the issuance of bonds and notes.

DEBT SERVICE REQUIREMENTS

The amount of money required for paying principal and interest on outstanding debt and required contributions to accumulate monies for future retirement of term bonds.

DEFICIT

An excess of expenditures or expenses over revenues (resources).

DEPARTMENT

An organizational unit comprised of divisions and programs. It is the basic unit of service responsibility that encompasses a broad mandate of related activities.

DIVISION

A sub-section within a department which

further the objectives of the City Council by providing specific services or a product. Divisions are comprised of one or more programs.

ENCUMBRANCE

A legal obligation to pay funds, the expenditure/expense of which has not yet occurred. An encumbrance ceases when the obligation is paid or is otherwise terminated. Technically, encumbrances lapse at year's end and require Council action to re-appropriate funds to cover any remaining encumbrances.

ENTERPRISE FUND

A type of fund established for the total costs of those governmental facilities and services that are operated in a manner similar to private enterprises. Enterprise fund activities are entirely or predominately self-supporting. The City has three enterprise funds.

EXPENDITURE

The actual spending of governmental funds set aside by an appropriation.

EXPENSE

The actual spending of proprietary funds (Enterprise and Internal Service Fund types) set aside by an appropriation.

FISCAL YEAR

A twelve-month period of time to which a budget applies. South Pasadena's fiscal year is July 1 through June 30.

FUND

An independent fiscal and accounting entity used to record all financial transactions related to the specific purpose for which the Fund was created.

FUND BALANCE

The amount of financial resources available for use. Similar to retained earnings, this represents the excess of all prior year's operating surpluses and deficits. This includes cash on hand, and current assets less current liabilities.

GENERAL FUND

The primary fund of the City, it is used to account for all revenues and expenditures of the City not legally restricted as to use. The fund is used to account for the cost of the City's general operations. Examples of departments financed by the General Fund include the City Council, Police, Fire, and general government activities.

GOVERNMENTAL FUND

A type of fund that records revenues and expenditures of typical government activities. This fund type includes General, Special Revenue, Debt Service and Capital Project funds.

GRANT

Contributions, gifts of cash, or other assets from another governmental entity to be used or expended for a specific purpose, activity or facility. An example is the Community Development Block Grant (CDBG) provided by the Federal Government.

INTERFUND TRANSFERS

Monies transferred from one fund to another. Such money is transferred to finance the operations of another fund or to reimburse the fund for certain expenditures/expenses.

MATERIALS, SUPPLIES AND SERVICES

Expenditures/expenses for materials, supplies, and services which are ordinarily consumed within a fiscal year and which are not included in departmental inventories.

MUNICIPAL CODE

A book that contains the City Council approved ordinances currently in effect. The Code defines City policy with respect to areas such as planning, etc.

OBJECTIVES

The expected results or achievements of a budgeted activity.

OPERATING BUDGET

The annual appropriation of funds for on-going program costs, including salaries and

benefits, services and supplies, debt service, capital outlay, and capital improvements.

ORDINANCE

A formal legislative enactment by the City Council that has the full force and effect of law within City boundaries unless preempted by a higher form of law. An ordinance has a higher legal standing than a resolution.

PROGRAM

A sub-section of a division which provides specific services or a product; a program is the smallest unit of service. There may be one or more programs within a division.

RESERVE

An account used to record a portion of the fund balance as legally segregated for a specific use.

RESOLUTION

A special order of the City Council. A resolution has a lower legal standing than an ordinance.

RETAINED EARNINGS

The amount of financial resources available for use in an Enterprise fund. Similar to "Fund Balance", it represents the excess of all prior years' surpluses and deficits.

REVENUES

An amount received by the City from taxes, fees, permits, licenses, interest, intergovernmental sources and other sources during the fiscal year.

SALARIES, WAGES and EMPLOYEE BENEFITS

Budgeted expenditure categories that generally account for full time and part time employees, overtime expenses, and all employee benefits, such as medical and dental insurance and retirement benefits.

SPECIAL REVENUE FUNDS

This fund type collects revenues that are restricted by the City, County, State or Federal Government as to how the City might spend them.

Description of Funds

General Fund

101-General Fund – The General Fund is the primary operating fund of the City. The General Fund accounts for all financial resources except those required to be accounted for in another fund. That is, it is assumed that all of the City’s activities are reported in the General Fund unless there is a compelling reason to report an activity in some other fund type. Generally Accepted Accounting Principles (GAAP) prescribe that a government report only one general fund.

There are at least three compelling reasons to account for a particular activity in some type of fund other than the General Fund:

- **GAAP Requirements.** In certain instances, GAAP require the use of another fund type. Examples of such requirements are found in reporting for resources that are required to be held in trust for employee pension plans, other postemployment benefit plans, or other employee benefit plans. The City does not have such plans.
- **Legal Requirements.** There may be legal requirements that a certain fund type be used to account for a given activity. Most special revenue sources that are legally restricted to expenditure for specified purposes (Capital Growth Fund, grants, local return of Proposition A and C, CDBG, Gas Taxes, etc.) fall into this accounting category.
- **Financial Administration.** The demands of sound financial administration may require the use of a fund other than the General Fund. For example, the City has found it appropriate to account for the Parking and Business Improvement Tax, and Mission Meridian Public Garage in this manner.

Internal Service Funds

Internal service funds account for activities that provide goods or services to other funds, departments, or agencies of the primary government and its component units, or to other governments, on a cost-reimbursement basis. Funds included are:

103-Insurance Fund – To provide resources for general liability and workers’ compensation insurance claims.

Special Revenue Funds

Special revenue funds account for the proceeds of specific revenue sources that are legally restricted to expenditures for specified purposes. Funds included are:

201-MTA Pedestrian Improvement Fund – To account for MTA grants used for the Fair Oaks/Mission pedestrian improvement projects which include pedestrian accessibility, widened bikeways, landscaping, lighting modification and aesthetics.

205-Proposition “A” Local Return Fund – To account for all revenues and expenditures associated with the one-half cent sales tax approved by Proposition A in 1980. All revenues of this fund must be expended for transportation-related items as established by the Los Angeles County Transportation Commission.

207-Proposition “C” Local Return Fund – To account for all revenues and expenditures associated with the one-half cent sales tax approved by Proposition C in 1990. All revenues of this fund must be expended for transportation-related items as established by the Los Angeles County Transportation Commission.

208-TEA/Metro Fund – To account for all revenues and expenditures associated with the TEA/Metro Fund. All revenues of this fund must be expended for transportation-related items.

211-CTC Traffic Improvement Grant Fund – To account for state and federal funding of street and intersection improvements relieving congestion at our busiest intersections.

215-Street Lighting and Landscaping Fund – To account for the costs associated with the City’s street lighting and median landscaping programs. These costs are deemed to benefit all property owners who are assessed their proportionate share of the costs. These assessments are placed on the property tax bill and collected and remitted to the City by the County of Los Angeles.

217-Public, Education, and Government Fund – To account for revenues and expenditures used for public education and government access charges that the City’s cable franchise collects. Monies in this fund must be used to purchase equipment related to the production of public education and government access television.

218-Clean Air Act Fund – To account for revenues and expenditures expended for air quality improvement projects as established by the South Coast Air Quality Management District.

220-Business Improvement Tax (BIT) Fund – To account for business improvement tax returns collected by the City for specified purposes within the Parking and Business Improvement Area: (1) decoration of any public place, (2) promotion of public events; (3) furnishing of music; (4) general promotion of retail trade activities.

223-Gold Line Mitigation Fund – To account for the MTA’s funding for the improvements to the Gold Line Mission Street Station.

226-Mission Meridian Public Garage Fund – To account for the revenues and expenditures of the Mission Meridian Public Garage.

228-Housing Authority Fund – To account for the revenues and expenditures for the City of South Pasadena Housing Authority.

230-State Gas Tax Fund – To account for all state gas tax related revenues and expenditures, including street repair, reconstruction and maintenance. State law requires these gasoline taxes to be used to maintain the City’s street and highway system.

232-County Park Bond – To account for the revenues and expenditures for the County Park Bond related improvements.

233-Measure R Fund – To account for all revenues and expenditures associated with the one-half cent sales tax approved by Measure R in 2009. All revenues of this fund must be expended for transportation-related items as established by the Los Angeles County Transportation Commission.

234-LACMTA Measure M MAT Grant Fund – To account for all revenues and expenditures

associated with the one-half cent sales tax approved by Measure M in 2016. All revenues of this fund must be expended for transportation-related items eligible under the Metro Active Transportation, Transit and First/Last Mile (MAT) Program.

236-Measure M Fund – To account for all revenues and expenditures associated with the one-half cent sales tax approved by Measure M in 2016. All revenues of this fund must be expended for transportation-related items as established by the Los Angeles County Transportation Commission.

238-MSRC Grant Fund – To account for the revenues and expenditures for the Mobile Source Air Pollution Reduction Review Committee projects.

245-Bike and Pedestrian Paths Fund – To account for the revenues and expenditures for bike and pedestrian facilities improvements funded by the State of California Transportation Development Act.

247-SGVCOG Grant Fund – To account for the revenues and expenditures to implement the Slow Streets Program funded by San Gabriel Valley Slower, Safer Street Program.

248-BTA Grant Fund – To account for the revenues and expenditures for the Bicycle Transportation Account (BTA) grant funded by the Los Angeles County Metropolitan Transportation Authority. This grant was awarded to fund two projects from the City's Bicycle Master Plan: the Mission Street Green Sharrow Lane Project and the South Pasadena Bicycle Parking Project.

249-Open Streets Grant Fund – To account for the revenues and expenditures for the open streets grant funded by the Los Angeles County Metropolitan Transportation Authority. The goals of the Open Streets Grant Program is to provide opportunities for 1) riding transit, walking and riding a bike, possibly for the first time, 2) to encourage future mode shift to more sustainable transportation modes, and for 3) civic engagement to foster the development of multi-modal policies and infrastructure at the city/community level.

255-Capital Growth Requirement Fund – To account for fees paid to the City for building development to be applied towards the costs of public facilities improvements.

260-Community Development Block Grant (CDBG) Fund – To account for the revenues and expenditures for Community Development Block Grant projects.

270-Asset Forfeiture Fund – To account for proceeds received from forfeiture in narcotics investigations allocated for law enforcement activities.

272, 273 & 274-Federal and State Public Safety Grant Funds – To account for the operations of various federal and state grants, including COPS grants, and Homeland Security grants.

275- Park Impact Fees Fund – To account for the proceeds of a development fee used for the purpose of park facilities improvements and related expenditures.

277- Highway Safety Improvement Program Grant (HSIP) Fund – To account for revenues and expenditures related to street improvements funded by the grant.

Enterprise Funds

An enterprise fund may be used to report any activity for which a fee is charged to external users for goods or services. GAAP also require the use of an enterprise fund for any activity whose principal external revenue sources are used as the sole leverage for issuance of debt; if the cost of providing services must legally be recovered through fees or charges; or if the government's policy is to establish activity fees or charges designed to recover the cost of providing service.

210 & 310-Sewer Fund – To account for the provision of sewer construction, maintenance and operation services to residents of the City.

295-Arroyo Seco Golf Course Fund – To account for revenues and expenses relating to the Golf Course.

500-Water Utility Enterprise Fund – To account for all the activities and operations of the Utility. The Utility has several functioning wells (in neighboring San Gabriel and San Marino), three functioning reservoirs, and maintains miles of water lines and transmission lines.

505-2016 Water Revenue Bonds Fund – To account for proceeds from the 2016 Water Bond issuance. Proceeds from the bonds are to be used solely for water capital projects, and funds will be transferred over to the Water Fund as project expenses are drawn down.

550-Public Financing Authority Fund – To account for debt service and related expenses of the 2013 Water Bond issuance.

Capital Projects Funds

Governments often find it useful to report major capital acquisition and construction separately from their ongoing activities. Separate reporting enhances an understanding of the government's capital activities, and it helps to avoid the distortions in financial resources trend information that can arise when capital and operating activities are mixed.

104-Street Improvements Program Fund – To account for capital expenditures related to street improvements projects.

105-Facilities and Equipment Replacement Fund - To account the replacement costs of City vehicles and equipment.

108-SR110 General Fund Reserve Fund - To account for the capital expenditures related to improvement of transportation systems.

327-2000 Tax Allocation Bonds Fund – To account for capital expenditures for improvements funded by the bonds formerly held by the Successor Agency to the Community Redevelopment Agency.

Basis of Budget Accounting

The City of South Pasadena's accounting records are maintained in full accordance with Generally Accepted Accounting Principles (GAAP), as established by the Governmental Accounting Standards Board (GASB).

The budget basis refers to when revenues and expenditures are recognized in the City's accounts. Our annual budget is prepared on the same basis as the City's Annual Comprehensive Financial Report (ACFR).

The modified accrual basis is followed in all governmental funds (General, Special Revenue, Debt Service and Capital). Under the modified accrual basis of accounting – wherein the measurement focus is placed on current financial resources rather than a determination of net income – revenues are recognized when they become measurable and available. The reported fund balance provides an indication of available, spendable resources. Expenditures are recognized generally when the related liability is incurred.

Enterprise Funds are accounted for using the accrual basis of accounting. This is an economic resources measurement focus. Revenues are recognized when they are earned, and expenses are recognized when incurred. The accrual basis focuses on net income, and the operating statements provide an indication of the economic net worth of the fund. For budgetary purposes, however, the reported fund balance is a calculation of liquid or near-liquid cash assets (current assets minus current liabilities).
