Staff Liaison Communication – Announcement
Regarding Mandatory AB1234 Ethics Training
Notice

City of South Pasadena Public Works Department

Memo

Date: May 13, 2020

To: Public Works Commission

From: Kristine Courdy, Deputy Public Works Director

Re: Agenda Item 7: Staff Liaison Communication – Announcement Regarding Mandatory AB1234 Ethics Training Notice

On April 28, 2020 the City Clerk's office sent notice to the Public Works Commission regarding the mandatory AB1234 Ethics Training. Please refer to a copy of that notice below to ensure that the training is completed within the required timeline:

****** AB 1234 Ethics Training Requirement Notice ******

As you know, State law requires specified local officials to receive **two hours of ethics training**.^[1] The requirement applies to local officials who either receive compensation for their service to the city or are reimbursed for their expenses.^[2]

For newly elected and appointed officials, the requirement is to receive this training within one year of assuming office.^[3] For everyone else, the requirement is to receive this training within two years of receiving one's first training.^[4]

The training must cover both ethics laws and ethics principles.^[5] There are a number of options for complying with this requirement.

- The Fair Political Practices Commission offers **free online training** at <http://localethics.fppc.ca.gov/login.aspx> . This option requires you to log onto the FPPC's website, review various screens of materials, take periodic tests to assure retention of the information and then print out a certificate. Please be advised that the

^[1] Cal. Gov't Code § 53235(a), (b).

^[2] Cal. Gov't Code § 53235(a).

^[3] Cal. Gov't Code § 53235.1(b).

^[4] Cal. Gov't Code § 53235.1(a).

^[5] Cal. Gov't Code § 53235(b).

certificates are time-stamped and MUST SHOW a minimum of two (2) hours of training completed. Certificates submitted that do not meet the 2-hour requirement, will not be accepted.

- Self-study materials are available at www.ca-ilg.org/ab1234compliance. The materials require that you read two articles on public service ethics laws and principles, take a self-assessment test and then submit it to the Institute for Local Government with a processing fee for each test. The Institute will review your test(s), provide you the correct answers to the questions and a proof of participation certificate. For those of you who have already been through the basic course, there is a more advanced self-study option to enable you to apply the basic concepts in a particular series of situations. See www.ca-ilg.org/ab1234advancedcredit

Once you receive your proof of participation in the required AB 1234 training, please make a copy of the certificate for your records and provide the original to the South Pasadena City Clerk's Division. These records will be retained as public records for at least five years.^[6]

As with all ethics laws, AB 1234 creates a minimum for ethics education—not a maximum. We encourage you to take advantage of additional training in ethics-related topics and document those efforts as well.

Note that general information about AB 1234 is also available at www.ca-ilg.org/ab1234compliance, including a frequently-asked-questions sheet.

Please submit the proof of completed training as soon as possible. If you have any questions regarding these requirements, please feel free to contact the City Clerk's Division by e-mailing cityclerk@southpasadenaca.gov.
