NOTICE IS HEREBY GIVEN that the City of South Pasadena Planning Commission will hold a Public Hearing on **Tuesday, May 11, 2021, at 6:30 p.m. remotely by video conference** to consider a request for a **Hillside Development Permit, Design Review, and Variance (Project No. 2197-HDP/DRX/VAR)** to construct a new single-family detached home located at 89 Monterey Road, Assessor's Parcel Number 5312-031-027. Property owner is Doug Whitney and applicant is Michael Norberg. The project consists of the following applications:

- **Hillside Development Permit** to allow the construction of a new 2,314-square-foot single-family detached home and a detached garage. An existing storage room will remain on site; and

In accordance with the California Environmental Quality Act (CEQA), the project qualifies for a Categorical Exemption under Section 15303, Class 3 (Construction of Small Structures) and Section 15332, Class 32 (Infill Development). The project qualifies for these exemptions because the project is for construction of one single-family home and is consistent with the general plan and zoning, occurs within city limits on a project site of no more than 5 acres that is substantially surrounded by urban uses, the site has no value as habitat for endangered, rare, or threatened species, the project would not result in any significant effects relating to traffic, noise, air quality, or water quality, and the site can be adequately served by all required utilities and public services.
