

CITY OF SOUTH PASADENA
PUBLIC SAFETY COMMISSION REGULAR MEETING AGENDA

AMEDEE o. "DICK" RICHARDS, JR. COUNCIL CHAMBER
1424 MISSION STREET, SOUTH PASADENA, CA 91030
TEL: (626) 403-7210 • FAX: (626) 403-7211
WWW.SOUTHPASADENACA.GOV

Monday, July 13, 2020 at 8:30 a.m.

**PUBLIC ADVISORY: THE CITY COUNCIL CHAMBERS WILL NOT BE OPEN TO
THE PUBLIC**

Pursuant to Section 3 of Executive Order N-29-20, issued by Governor Newsom on March 17, 2020, the Regular Meeting of the Public Safety Commission for July 13, 2020 will be conducted remotely and held by video conference, beginning at 8:30 a.m. The Meeting will be broadcast live on the City's local cable channel and the City's website at:

http://www.spectrumstream.com/streaming/south_pasadena_psc/live.cfm

Please be advised that pursuant to the Executive Order, and to ensure the health and safety of the public by limiting human contact that could spread the COVID-19 virus, the Council Chambers will not be open for the meeting. Commissioners will be participating remotely and will not be physically present in the Council Chambers.

If you would like to comment on an agenda item or make a general public comment, members of the public may submit their comments in writing, for Commission consideration, by emailing them to: pscpubliccomment@southpasadenaca.gov

Public Comments must be received by **6 p.m., July 12, 2020** to ensure adequate time to compile. Public Comment portion of the email is limited to 250 words. Please make sure to indicate: 1) your name; 2) what agenda item you are submitting public comment on or if it is a general public comment; and 3) clearly state if you wish for your comment to be read.

South Pasadena Public Safety Commission Statement of Civility

As your appointed governing board we will treat each other, members of the public, and city employees with patience, civility and courtesy as a model of the same behavior we wish to reflect in South Pasadena for the conduct of all city business and community participation. The decisions made today will be for the benefit of the South Pasadena community and not for personal gain.

CALL TO ORDER

Chair Jeremy Ding

ROLL CALL

Commission members Grace Liu Kung, Stephanie Cao,
Amin Alsarraf, Alan Ehrlich, Ed Donnelly, Scot G. Lam

PUBLIC COMMENTS AND SUGGESTIONS

The Public Safety Commission welcomes public input. Members of the public may address the Public Safety Commission by emailing: pscpubliccomment@southpasadenaca.gov Public Comments must be received by **6 p.m., July 12, 2020** to ensure adequate time to compile. Public Comment portion of the email is limited to 250 words. Please make sure to indicate: 1) your name; 2) what agenda item you are submitting public comment on or if it is a general public comment; and 3) clearly state if you wish for your comment to be read.

Pursuant to state law, the Public Safety Commission may not discuss or take action on issues not on the meeting agenda, except that members of the Public Safety Commission or staff may briefly respond to statements made or questions posed by persons exercising public testimony rights (Government Code Section 54954.2). Staff may be asked to follow up on such items.

ACTION/DISCUSSION

- 1. Minutes of the Public Safety Commission Meeting of June 8, 2020**
- 2. Proposal to Change the Powers and Duties of the Public Safety Commission- Chair Jeremy Ding**
- 3. An update on the joint subcommittee of the Public Safety Commission and the City Council on the “Future of Policing”- Councilmember Schneider/Comm. Scot Lam**
- 4. COVID-19 Subcommittee Update & future community outreach-Chief Paul Riddle**
- 5. Purchase of Police Motorcycles-Deputy Chief Brian Solinsky**

COMMUNICATIONS

1. City Council Liaison Communications
2. Staff Liaison Communications
3. Commissioner Communications

*I declare under penalty of perjury that I posted this notice of agenda on the bulletin board in the courtyard of City Hall at 1414 Mission Street, South Pasadena, CA, and the City's website at www.southpasadenaca.gov on **July 8, 2020** as required by law.*

Date: July 8, 2020

Public Safety Commission Agenda Report

ITEM NO. _____

DATE: July 13, 2020

FROM: Joe Ortiz, Chief of Police
Brian Solinsky, Deputy Chief

SUBJECT: Support the Purchase Contract with Long Beach BMW for Three Fully Outfitted BMW RT-P Police Motorcycles in the Amount of \$114,338.

Recommendation

It is recommended that the Commission support:

1. The purchase contract with Long Beach BMW in response to specification for three (3) police patrol motorcycles in the amount of \$92,657.
2. The purchase contract with Motorola Solutions for three digital police radios in the amount of \$21,270.
3. The purchase contract with Prime Graphix for the installation of police graphics in the amount of \$410.

Discussion/Analysis

The use of motorcycles is the most efficient mode of administering traffic enforcement due to the vehicle's maneuverability and ability to operate on the roadways and other terrain. Motorcycles facilitate more direct contact with the public and are a beneficial community relations tool. Three motorcycles are included in the Traffic Bureau's current motor-pool. However, two of the three motorcycles, which are Hondas, are aging significantly with one a 2009 at 115,000 miles and the other a 2011 with 68,000 miles. Industry standards and best practices suggest replacing police motorcycles between 60,000 and 100,000 miles. The motorcycle with 68,000 miles was used for training and has significant structural and frame damage, making unsafe for frontline patrol use. The age and increased mileage of these motorcycles also require increased maintenance, making their use for frontline enforcement fiscally unfeasible. Additionally, Honda police motorcycles have been discontinued and are no longer made.

The Police Department has utilized the BMW R1250 RT-P Police Motorcycle since 2017 and determined it to be the best motorcycle to meet the needs of the organization. The only other option for police motorcycles is Harley Davidsons, which have been shown to be less than optimal for city traffic enforcement. If this purchase is approved, the two oldest motorcycles would be sold at auction, while the third would serve as a spare during maintenance or used for training purposes.

Purchase of Three Police Motorcycles

July 13, 2020

Page 2 of 3

The 2020 BMW R1250 RT-P operates on unleaded fuel and comes standard with a 125hp engine with low-emission output controls. The units will have high-performance anti-lock disc brakes, drilled rotors, emergency lighting, and a digital radio system. The BMW comes with a 3-year, 36,000 mile warranty. BMW's are being ridden by more than 450 agencies in the United States, including the three largest U.S. fleets operated by the California Highway Patrol, Los Angeles Police Department, and Los Angeles Sheriff's Department.

Standard features on every BMW include heated seats and handlebar grips, BMW ABS with traction control, tire pressure monitoring, electronic cruise control and a rider information display including system voltage and ambient temperature. For an improved rider experience, the BMW includes optimal air management which keeps engine heat from the rider and a standard electrically adjustable windshield.

Alternatives Considered

1. Upon approval of the purchase, the motorcycles will be ordered with an anticipated delivery date of 2- 6 months.
2. Delay the purchase of the replacement motorcycles and utilize the existing fleet.
3. Provide staff with an alternate direction.

Next Steps

4. Provide recommendations to City Council.

Background

The South Pasadena Police Department has utilized police motorcycles to supplement traffic enforcement and patrol operations for over 50 years. In 2020, the Department implemented a full-time traffic enforcement unit consisting of three officers to assist with high volume of traffic related complaints received by both Council and staff.

With ever increasing maintenance, and purchase costs of patrol cars, the motorcycle is relevant to contemporary law enforcement. The use of police motorcycles is an industry standard and considered the best and most efficient tool for traffic enforcement. By their nature, high traffic areas can make it difficult to maneuver a patrol car. Motorcycles, however, can be more effective at these locations due to the ease with which they can be positioned and increasing safety factors. Motorcycles can also assimilate into traffic for enforcement purposes easier than conventional patrol vehicles.

Fiscal Impact

Staff recommends the purchase of the motorcycles under the LA County Sheriff Contract RFB-IS-20200851, which constitutes a cooperative purchasing agreement authorized by SPMC Section 2.99-29(19). The total price to purchase and outfit the three (3) 2020 BMW R1250 RT-P motorcycle is \$114,338. This expenditure is to be funded from the approved State COPS grant account #272-4010-4018-8520-000. State COPS grants funds are awarded annually based on population with a minimum award of \$100,000 for each recipient city. State COPS funds may only be utilized to supplement existing front line services and shall not be used to supplant any

existing funding. The net offset of the two motorcycles to be sold at auction is approximately \$2,000, with a final cost of \$112,338.

COST BREAKDOWN PER UNIT

2020 BMW R1250RT-P Police Motorcycle (All fees/taxes included)	\$30,885
Motorola digital police radio	\$7,090
Police Graphics Installed by Prime Graphix	\$136
