3. **Flock Camera System**

Review of potential Automated License Plate Reader System.

Management Analyst Alison Wehrle gave a presentation on an Automated License Plate Reader (ALPR) camera system for the Public Safety Commission to review for recommendation to the City Council. The South Pasadena Police Department is proposing to install 13 stationery cameras throughout the City in order to capture objective data from vehicles, such as license plate numbers, to identify vehicles linked to criminal activity. The Commission reviewed the item, asked questions about the Flock camera system, and

ultimately supported moving forward with the program.

Speakers: Omarie Ferguson and John

Motion: MOTION BY COMMISSIONER CERVANTES, AND SECOND BY COMMISSIONER DING, CARRIED 4-0, to approve recommendation for the Flock Camera System to the City Council.

Ayes: Commissioners Cervantes, Ding, Alssaraf, Chair Donnelly
