Police Department Operational Assessment: The City Welcomes Your Input

South Pasadena (Calif.) - The City of South Pasadena has engaged Raftelis, a consulting firm with experience assisting public safety organizations nationwide, to provide recommendations on how the Police Department can best serve the needs of the community.

To inform the study's recommendations, we welcome community involvement and input at the City's second and final public outreach meeting for the Police Department assessment.

The primary objective of this meeting is to gather valuable input from community members on various aspects of policing within South Pasadena. We encourage attendees to share their thoughts, concerns, and suggestions related to law enforcement practices, community safety, and the role of the Police Department.

The meeting will take place on October 2, 2023 at 6:30 p.m. in the City Council Chambers located at 1424 Mission Street. The meeting will also be available virtually by accessing the following Zoom information:

- Link: <https://us06web.zoom.us/j/84912843135>
- Meeting I.D.: 849 1284 3135

We thank you in advance for sharing your input with the City to ensure that the South Pasadena Police Department continues to improve and best meet the community's needs.

###

Join us at the South Pasadena Police Department Public Workshop

SOUTH PASADENA POLICE DEPARTMENT PUBLIC WORKSHOP

The City of South Pasadena has engaged Raftelis, a consulting firm with experience assisting public safety organizations nationwide, to provide recommendations on how the Department can best serve the needs of the community.

To inform the study's recommendations, we welcome community involvement and input.

Provide your input on Police Department strengths and opportunities for improvement by joining us at the South Pasadena Police Department's Public Workshop.

We thank you in advance for sharing your thoughts with us and helping us to ensure that the Police Department continues to improve and meet the community's needs.

Chief Brian Solinsky
