ARROYO SECO GOLF COURSE FACILITY PLANNING OPEN HOUSE

South Pasadena (Calif.) – The City of South Pasadena Community Services Department is inviting the community to attend the facility planning open house and participate in an important survey designed to gather valuable input and feedback. The meeting is scheduled for Wednesday, August 7, 2024. There is a 5:00 p.m. meeting scheduled for golfers, and a 7:00 p.m. meeting scheduled for the public.

The facility planning open house is an opportunity to have a discussion on the future of the golf course and gather the community's insights and opinions through a comprehensive

survey. The community's participation is crucial to ensure that our initiatives align with the community's needs and aspirations through a collective vision. We are seeking valuable input from the community and asking everyone to take a survey. Surveys are available at www.southpasadenaca.gov/ASGCOpenHouse.

For more information, please contact the Community Services Department at (626) 403-7380 or by email recreation@southpasadenaca.gov.
