## **Traffic Stop Results in Arrest of Felon with Firearms**

South Pasadena (Calif.) – On Thursday, August 1, 2024, at 11:37 p.m., a South Pasadena Police Officer was conducting a routine patrol in the 1800 block of State Street when a vehicle with multiple equipment violations was observed.

The officer conducted an enforcement stop and contacted the driver and sole occupant of the vehicle, 34-year-old Darnell Jack of Pasadena. Upon further investigation, the officer noticed what appeared to be a black handgun on the rear floorboard within the driver's reach.

Mr. Jack was removed and arrested without incident. The firearm was recovered and found to be fully loaded with a round in

the chamber. A second loaded handgun was found underneath the front passenger seat. Both firearms were determined to be improperly registered in California.

It was later determined that Mr. Jack is a convicted felon with a murder conviction and therefore prohibited from possessing firearms. He was booked on multiple felony weapons charges at the Alhambra City Jail and will be held until his court appearance early next week.

Anyone with additional information about this incident is urged to call the South Pasadena Police Department at (626) 403-7265. If you would like to provide an anonymous tip, you can call Crime Stoppers at (800) 222-TIPS (8477).
