## **City to Host 3<sup>rd</sup> Business Networking Event**

South Pasadena (Calif.) – The City is excited to be hosting our third Business Networking Event for South Pasadena local businesses. In 2022, the City's Economic Development team launched various initiatives to support and bring together the business community. This included two business networking events, the launch of a digital business newsletter, launch of a quarterly major projects and developments newsletter, and the launch of the City's *Guide to Doing Business*.

The team is dedicated to more efforts to support local businesses in 2023, and to build on the business-to-business support network. This exciting event that will take place on February 28, 2023 from 8:00 a.m. to 10:00 a.m. at the Library Community Room located at 1115 El Centro St. The event will feature free headshots from a local photographer, raffles, breakfast and coffee, resources, and a presentation from the Community Development Department on housing.

We encourage all local businesses to attend for however long schedules permit, meet the team, and have a great time getting to know other business representatives. To RSVP for the event, please call the City Manager's Office at (626) 403-7210 or email [business@southpasadenaca.gov](mailto:business@southpasadenaca.gov).
